

Manitoba has had its first cold spell. On the night of the 29th ult., the thermometer at Winnipeg registered 50 deg below zero. Quite cold enough for all practical purposes.

THE AIR LINE.—The Clitham *Banner* says:—The Great Western Air Line, from Gloucester to Buffalo, is now finished, so far as the tracklaying is concerned, and in a week or two regular trains will be run over it. The opening cannot take place later than the 1st of next month. On the opening of the Air Line a large proportion of the through freight will be sent by that route. Next season a double track will be laid from Gloucester to Windsor, making the Western, in reality, a "double track" road from one end to the other.

PROPOSED PRESBYTERIAN CEMETERY.—Among the fruits of the recent celebration of John Knox's ter-centenary is a proposal, which is becoming widely canvassed, that on as early a day as possible, and in such place as shall hereafter be agreed upon, there shall be held a grand general council of the Presbyterian churches throughout the world. The New York *Herald* is noticing the proposal as follows:— "It is a most sensible suggestion, and one which cannot fail to meet with general acceptance. It is stated that Presbyterianism can boast of twenty thousand congregations and a population of thirty-four millions. Lutheran, and other kindred bodies included, the total swells to fifty-seven millions. Disunion has long been a disgrace to the Protestant section of Christendom. Such a council could hardly fail to have a healing and otherwise beneficial influence. Union in strength and beauty as well. We wish the project all manner of success. It would be one of the grandest ecclesiastical gatherings the world has ever known."

North Haven, Knox County, Me., 12th June, 1871.—Mr. James I. Fellows, Chemist, St. John, N. B.—Dear Sir: Having used your chemical preparation of Hypophosphites, which was recommended to me by Mr. Blagden, Apothecary, Rockland, I am truly surprised with its wonderful effects, because for several years my health has been declining, notwithstanding every means possible which offered encouragement, was used by me. Several alarming symptoms appeared, amongst which dyspepsia, palpitation of the heart, impoverished blood, and great prostration. Since January, when I began the use of your Syrup, my health has steadily and amazingly improved, so that now it gives me great pleasure to recommend it to others, and in this way to show my gratitude for return of health. To all who require a remedy for debility, I would say find your Compound Syrup of Hypophosphites just what you say it is. I believe it is the best preparation in use. I am, Sir, &c.,

ELIASER CRABTREE, J. P.
It is an established fact, that consumption can be cured; but it is far better to prevent the cruel disease from fastening itself on the system, by the timely use of a remedy like Dr. Wistar's Balsam of Wild Cherry. This standard preparation will speedily cure a cough or cold, and consumption often yields to its great power.

Iron in the Blood

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protocidate of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Plasma-forming Agent: Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damage, and expelling, secreting, and removing all morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhoea, Bolls, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, insuring strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP blown in the glass. Pamphlets Free.
