of danger by the condition of your blood, as shown in pimples, blotches, boils, or discolorations of the skin; or by a feeling of languor, induced perhaps, by inactivity of the stomach, liver, and kidneys, you should take Ayer's Sarsaparilla. It will renew and invigorate your blood, and cause the vital organs to properly perform their functions. If you suffer from

Rheumatism.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., U. S. A. For sale by all druggists. Price \$1; six bottles for \$5.

To the Electors of the District of Kootenay, B. C.

CRANBROOK, Kootenay, B. C., May 15, 1886. CRANEROOR, Kootenay, B. C., May 15, 1886.

CRYLLEMEN:—THE TIME IS APPROACHING
If for the election of your representatives in the
Provincial Parliament, and i have the homeinyaelf as a candidate to give a part in its youth, and
The District of that prosperity of the population
must depend upon the efforts that my be made for
developing the natural resources of the District in
order for size it to a strong and healthy manhood.
Chief among those 'resources stands the great
mineral wealth which is known to exist, lathough
a large pertion of this wealth has already been speeastfully developed, through the energy,
severance and the outrage
set will all these admirable during under the stands
and thrown and the standard of the

severance and the courage of the mining settlers, still all these admirable qualities will be neutralized and thrown back in the future unless vigorous efforts are made to facilitate the opportunities for prospection, and also to lighten the burdens of the prospection, and also to lighten the burdens of the prospection.

The mainer are the ownerous, and that true political months will consist in giving every possible encouragement and assistance to the miner in order to enable finite extract the wealth which lies buried in the earth, and thus carich, the state and reward the laborer.

It is manifest that easy means of communication from place to place, and wish the entire world, are of paramount importance in the development of the laborer.

It is manifest that easy means of communication from place to place, and wish the entire world, are of paramount importance in the development of the laborer.

It is manifest that easy means of communication from place to place, and wish the entire world, are of paramount importance in the development of want of proper trails. Good roads and trails would as to have a material influence in cheapening the cost of provisions and in helping to develop its agricultural resources of the country, and should you do me the henor of electing me as your representative I should be made to divide the present district into two parts, each independent of the other.

Taux in sympathy with the present government.

Taux in sympathy with the present government.
