The bodies were decently interred where they were found by Daykin and Macdonald, it ing found impossible to convey them to

MR. AL. SHIELDS, who for years past has been steadily employed at Mr. John Meston's carriage works on Broad street, is at present confined to his residence as the result of an accident which deprived him of the thumb and forefinger of his right, hand. The mishau occurred of his right hand. The mishar occurred while Mr. Shields was tending upon the jigger-saw, a recent addition to the plant but which has already relieved four of the employes of sundry thumbs and fingers.

James Brown, the young sealer who was arrested just as his schooner, the Dora Siewerd was about to put to sea, was yes-terday committed for trial at the spring assizes by Police Magistrate Macrae, on th charge of breaking into Frederick Lands-berg's establishment and stealing three valuable revolvers. Brown yesterday adnitted the theft, but maintained that the breaking of the large plate glass front was done by his partner in the crime—another young sealer who is now on board one of the vessels on their way to the Japanese

THE Methodist congregation of Victoria THE Methodist congregation of Victoria West are, making ready for a series of evangelistic services to continue through all next week, meetings being held in the church each evening except Saturday, at 8 o'clock. Interpreting literally, as do the Salvationists, the scriptural injunction to go forth into the highways and preach the gospel, Rev. Mr. Hicks and his associate workers also propose to hold half-hour ate workers also propose to hold half-hour street services every evening, previous to the meetings in the church. Workers from the other churches have promised to lend be done to settle the question, which is their aid, and the services promise to pos- a highly important one. Much general sess unusual interest.

VESTERDAY Mr. Justice McCreight and Mr. Justice Drake heard argument in the case of Hudson's Bay Co. v. Hazlett. This was an appeal from an order of the Chief Justice refusing the defendant as a judgment debtor homestead exemption on the book debts of his business. The appeal was disallowed with costs on the ground that book debts were not intended to coincide with the meaning of the words "goods and chattels" in section 10 of the homestead act, which were limited by the homestead amendment act of 1890. Mr. Archer Martin appeared for the appellant, and Mr. J. A. Aikman for the respondent.

was drawn by Mr. J. Keith Reid, manager of the Kootenay mining bureau, with offices at Montreal and Nelson. It has been on exhibition in the East, together with a fine collection of Kootenay ores. LECTURES ON MINERALOGY.

British Columbia.

To the Editor:—There is much tall talk just now about the importance of and the extension of education to the young. The education of the young is only a foundation to be built upon in The wonderfully rich Slocan mining after years, as education goes on from camp is being well advertised by a large map drawn in colors and now on view in map drawn in colors and now on view in the Board of Trade rooms. The map measures some 10x5 feet and is mounted in a handsome oak frame with plate glass. It was drawn by Mr. J. Keith Reid, manager in this world to open the eyes and unlead them into a profitable-never so badly injured that it had to be thrown

ter attended? Are young adults vain mining claim near Alberni. little over four times those of the same month last year, while an appreciable increase all round is shown. In 1895 the imports free were \$19,680: the imports dutiable were \$141,809, and imports duty paid was \$31,666. The fetures for last month are as follows: a wonderful world of which they know a wonderful world of which they know nothing. Is there really any ardent desire for learning or is it merely attendance at school for education they get for nothing and therefore undervalued? The cost of attendance at a lecture is merely twenty-five cents. When we wonderful world of which they know nothing. A mong the passengers were:

S. Draney, R. Draney and wife, Mr. and Mrs. Chambers, A. Buck, G. Rudge, F.
Fraser, A. G. Harris, H. Snow, G.
Chambers, D. Morrison, A. McNeill, T.
Nickerson, W. H. Dempster, Miss McKibben and Miss Lucas. The steamer merely twenty-five cents. When we will all the Verseyward of the cause of London, Eng., and twenty-four years of London, Eng., and twenty-four years of o be liberally paid for, it cannot be the cost of the lectures that keeps people away—away from a vast amount of enertainment, strange metamorphoses, and possible knowledge most valuable for all classes. It may be that these lectures have not been sufficiently advertised and so the fountain of knowledge is not known by those who wish to slake their thirst.

One Honest Man.

DEAR EDITOR :- Please inform your readrs, that if written to confidentially I wil mail in a sealed letter, particulars of a genuine, honest home cure by which I was permanently restored to health and vigor with stamp :- L. A. Edwards,
