## GIRLS ENTERING WOMANHOOD

Will Find Bileans a Boon—A Word of Advice to Mothers.

The development of a girl at the time when she is just emerging from girlhood and passing into the fuller life of womanhood, should be carefully watched by all mothers.

Very often a girl complains that her clothes weigh her down. She becomes weak, has a feeling of weight at the stomach after meals, suffers from frequent headaches, and is often restless and miserable. All these symptoms mean that her vitality has reached a low ebb, that some natural tonic is required to re-tone the system and increase her vigor and energy. This can only be done by enriching and purifying the blood; and the surest method of doing this is by undergoing a course of Bileans.

Mrs. F. Butterfield, of Mexbro, writes:—"My daughter, Jane Hannah, seemed to be losing all her good strength and all her good spirits. She became weakly, pale, and despondent, instead of the bright energetic girl, full of life and vivacity she had always been. I had proved how good Bileans were when I was out of sorts, so I gave her a few doses. The result was wonderful. They seemed to tone her up and give her back her life and energy in a few days! She is now in excellent health, although at a very critical age, and I have Bileans alone to thank."

Thousands of mothers tell a similar story of praise. Don't forget, too, that Bileans cure indigestion, constipation, piles, headache, debility, biliousness, and all liver and kidney troubles. Purely herbal in composition, they constitute the finest household remedy known to the world of medicine. Of all druggists at 50c a box, or post free from the Bilean Co., Toronto, upon receipt of price. 6 boxes for \$2.50.

## YOU MAY BE SICK TO-NIGHT.

Without a moment's warning pain springs upon you. At the outset it is instantly cured by Nervilleine. Surprising what fifteen drops of this marvelous medicine will do. It's external action is no less certain than its wonderful effect when taken internally. Of course Nervilleine is powerful or it couldn't be so penetrating. But not irritating or caustic. There are other pain remedies, but when you use Nervilleine you see the difference. That difference is this—others relieve, but Nervilleine does cure sprains, strains, swellings, earache, toothache, neuralgia, lumbago, in fact all muscular pains. Large bottles 25c at all dealers.

## Revival Epigrams By Sam Jones.

Sam Jones, picturesque evangelist, now dead, will be remembered by thousands of women who heard him at his revival services. Rude, vigorous, even vulgar, as he often was, he had the faculty of driving a homely truth home with an epigram, often directed at a woman's foibles. Here are some culled at random from the published accounts of his services:

I like a man who can prove by his wife that he's got religion.

I would rather do anything than stand up before the tongue of a mad woman.

The biggest fool I know is a woman who marries a man, knowing all the time that he is dissipated.

God gave a woman a little fish and never adjusted her life to guns and pistols.

You make the coffee bitter and get mad because your husbands say it ain't sweet.

You can't control your husband by argument and dictation.

I am sorry for any woman who will sit and listen to gossip about her husband.

What is a town's woman but a country woman with Sunday clothes on.

I'd rather be dead than be in fashion.

The more bent, mashed and warped the lady's hat is the more fashionable it is.

A woman is naturally a very sharp trader and very few women have any conscience when it comes to a trade. She will sell an old pair of trousers for more than her husband gave for them new and then brag about it.

In a Georgia town a number of girls married men to reform them; now the town is full of little whippoorwill widows.

The capacity of a woman for making everybody about her uncomfortable cannot be calculated by any known process of arithmetic.

I have known women too poor to own a pair of shoes, but I never knew one too poor to own a looking glass.

If the devil ever puts a foot upon a woman once she never gets up any more.

The biggest fool God's eyes ever looked upon is the woman who stirs the toddy for her husband.

If my daughter only had one dress that should be a whole one. If it lacked anything at all I should cut it off at the bottom and not at the top.

Fashionable society always came in for sharp words from the energetic Jones.

Here are two characteristic epigrams:

Sow little parties and reap big ones. Sow these and reap ballrooms. Sow these and reap gauds, and from these reap spiders, legged dudes, and from these you'll reap a half-thimbleful of calves' foot jelly.

There's such a thing as the race running out in dudes, and God knows I am glad of it.

**ITCH.** Mange, Prairie Scratches and every form of contagious itch on human or animal cured in 30 minutes by Wollord's Sanitary Lotion. It never fails. Sold by T. B. Taylor & Sons.

## Tariff Changes.

There are several slight changes in the tariff made last week which affect the people in this vicinity.

Oranges and lemons formerly paid a small duty—25c a box—and will now come in free.

Market gardeners who have complained of the competition of American vegetables will be gratified with an increase of 5 per cent. duty upon such vegetables as onions, cabbage, beans, etc. Potatoes pay 15c per bushel duty as before. Melons formerly paid 25 per cent. duty; in future they will pay 3c a piece ad valorem. A basket of muskmelons which used to pay ten cents duty will now pay sixty cents, and those who are fond of the delicacy will have to pay higher prices or wait until the Canadian "musks" ripen. Watermelons pay 3c apiece also, but the duty does not appear so high on a 25c watermelon as on an 8c muskmelon. The trade in early vegetables will be affected, and also in fancy groceries. Dates now pay a specific duty instead of ad valorem.

Perfumes and drugs are increased somewhat, also leather goods, purses, etc., so that Christmas novelties will be higher.

The placing of gasoline on the free list is one of the most important changes, as most of the gasoline used in Canada is produced at the Imperial Oil Works in Sarnia. The change will not affect the output of gasoline, and the management have not yet come to a decision as to a change in the price. Inquiry at the local hardware stores brought out the fact that the price of gasoline has not yet been reduced at the hardware stores in Sarnia, on account of a shortage of supply on the American side, which makes it impossible to secure a supply conveniently. At present the price in Port Huron is several cents lower than in Sarnia, although there is no duty.

## THE TREMBLE OF OLD AGE.

With the advance of years the vital functions of the body slow down. In consequence the organs of secretion suffer, the action of the bowels are lessened and there is no longer healthy circulation. The brain is congested with blood, giddiness, trembling and cold extremities are common. No assistance is so potent as Dr. Hamilton's Pills. By their direct action on the stomach, liver and kidneys they cause an immediate change. Mild, free from gripe, strengthening and cleansing the whole system, no medicine is so valuable in old age as Dr. Hamilton's Pills of Mandrake & Butter-nut. Try these pills, 25c per box at all dealers.

## Water Glass for Preserving.

For years Supt. Graham of the poultry Department of the O. A. C. has advised the use of water glass as a means of preserving eggs. Comparatively few farmers have adopted this method, but among Guelph housekeepers the practice is common. One lady there puts down her egg supply for the year in April, when she can get two dozen for a quarter, and the eggs come out in perfect condition a year later. "I would never think of using salt again," said another.

The proportion is one of water glass to eight or twelve of water. Just make the mixture fluid enough to allow the eggs to sink rapidly. The water glass can be obtained from any druggist.

## Your Doctor

Can cure your Cough or Cold, no question about that, but why go to all the trouble and inconvenience of looking him up, and then of having his prescription filled, when you can step into any drug store in Canada and obtain a bottle of SHILOH'S CURE for a quarter.

Why pay two to five dollars when a twenty-five cent bottle of SHILOH will cure you as quickly?

Why not do as hundreds of thousands of Canadians have done for the past thirty-four years; let SHILOH be your doctor whenever a Cough or Cold appears.

SHILOH will cure you, and all druggists back up this statement with a positive guarantee.

The next time you have a Cough or Cold cure it with
