EAVETROUGHING AND REPAIRING ON SHORT NOTICE

"Father grows younger every day." And his new photograph hits him to a "T".

The old portrait taken twenty years ago, made him look so serious and old-fashioned—not a bit like he really is.

We wouldn't part with it of course. But isn't it splendid to have a picture of him as we know him—just as he looks to-day.

And father says that he's glad he gave in and had it made—that having your picture taken is far from an unpleasant experience now-a-days.

White—Dunlop

A very pretty wedding took place on Thursday, May 29th, at the home of Mr. and Mrs. Jno. Dunlop, Kinglake, when their eldest daughter, Meryll, was united in marriage to Mr. Oliver White, of Mabec. The ceremony took place at 1 o'clock and was performed by the Rev. P. L. Harburn, pastor of the Methodist Church, in the presence of a few near relatives and friends. The bride, who was unattended, wore a cream voile dress with trimmings of lace and carried a bouquet of pink and white carnations. The wedding music was played by Miss Nora Murray. After congratulations were given the company repaired to the dining room to partake of a bounteous repast. The bride was the recipient of a number of beautiful presents. About 3 p. m., amid showers of rice, the happy couple took their leave for London and points West. On their return they will reside at Mabec.

The bride was formerly a resident of the second line, Warwick.

THE SECRET OF GOOD HEALTH

Keep the Blood Rich and Pure With Dr. Williams' Pink Pills

The condition of the blood makes all the difference between health and sickness. Impure blood and strong healthy nerves and muscles never go together. If the blood is thin every part of the body becomes weak. The stomach fails in strength and the appetite becomes poor. The body does not obtain enough nourishment from the food, and soon the nerves begin to complain and the person becomes irritable, despondent, worn out and nervous. For a time there may be no actual sickness, only a run-down, weak condition, but there is no defence against disease and from such a condition springs such ailments as anaemia, rheumatism, indigestion, neuralgia, and even paralysis itself.

People with impure, thin blood should take Dr. Williams' Pink Pills for Pale People. Every dose helps to make new, rich blood, and new blood means health and strength. They stop the progress of disease, and red cheeks, good appetite, new strength, declare the general improvement in the health. Here is an example. Miss Ellen Maude McQuodale, Harriston, Ont., says: "I feel it my duty to add my voice to the many now recommending Dr. Williams' Pink Pills. For years I was a sufferer with backaches, rheumatism and nervousness. I was so bad at times that I was confined to my bed. I felt sleepy and heavy after my meals, and flashes of light before my eyes, and a difficulty in collecting my thoughts. After using several remedies without benefit I began using Dr. Williams' Pink Pills and used ten or twelve boxes in all. They gave me the best health I have enjoyed for years, and I have not since had the least return of the trouble."

You can get these Pills from any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Dispute Over Insurance

Mrs. Elizabeth Brown, widow of Wm. Brown, of Petrolia, Ont., and his divorced wife both claim the insurance money occasioned by his death. When he was first married he insured himself for \$2000 with the Knights of the Maccabees of the World making his wife, Mrs. City Brown, the beneficiary. Later Mrs. Brown divorced him and he married Elizabeth Brown. Mrs. City Brown then re-opened the case in court so as to obtain more alimony, but nothing had been done when Brown died.

At the present time both of the wives are claiming the insurance, and the insurance order has appealed to the circuit court to determine who is entitled to the money, and to have them restrained from bringing suit. Judge Murphy issued a temporary restraining order.—Detroit News.

Mr. Fred Emmons, of Stratroy, received damages to the extent of \$525 from the Dymond Colonial Company of Stratroy, without costs, at the sitting of the county court before Judge Talbot-Macbeth. The plaintiff brought forward evidence to show that while employed in the defendants' factory a drill used in dovetailing boards for drawers, was driven through his hand. He claimed that the pulleys by which the drill was driven had become so defective that the machinery would often start suddenly in motion. At the time of the accident he had stopped the machine to tighten the drill.
