this basis. Others are asking for peace Gustav Hoch, a member of the Reichstag, has been giving expression to the views of the Socialist Party in the following strong words. "A durable peace can only be achieved under the followno conditions; no conquests; no violation or subjection of any nation; free competition of all nations in foreign countries; an understanding for a peaceful solution of disputes between governments; and a sympathetic limitation of armaments. Such a peace corresponds so well to the interests of the bulk of the nations in every country that it ought to be possible and 'immediately."

Dr. Hoch promises that this pro- oldest resident in the person of Mrs. gramme will be championed by the Gilbert Willett, after an illness of two Chaplain German Socialists in the present ses- weeks. Mrs. Willett, whose maiden sion of the Reichstag. It is hardly name was Barbara Ann Piggott, was all probable that the Socialists will find born in 1828, and was a daughter of themselves strong enough at present the late William Piggott of Bridgetown to enforce the acceptance of this pro- Bereft of her mother in infancy her gramme.
