Then why do you not send direct to a responsible nursery if you are going to plant, and get your trees fresh from the ground, guaranteed to come in good order, and at a lower price than agents sell for, and have the satisfaction of knowing whom to look to if they don't prove true to name. I have been 30 years in the nursery business in Canada, and know what you need, and can supply you. Send for my catalogue and price list. Address,
