# REASONS WHY You Should Buy Trees of Us

We are the largest Canadian shippers of trees. Our facilities for growing, packing and shipping are unexcelled. Our soils are various, from a light, sandy soil to the heaviest clay. We grow our trees on the soil best adapted to each kind, that all trees may have great masses of fibrous roots. All our trees are handled under cover during packing. We do not kill our trees by careless fumigation. All stock is warranted to be THE BEST that can be grown.
