**FEEES AND RULES REGARDING COPIES OF EVIDENCE.**

The fees for copies of evidence in the County Court are five cents per folio (100 words) for each copy.

On each TERM MOTION there must be filled with the motion paper a copy of the evidence. This copy must be paid for (at five cents per folio) by the party moving. It does not then become his property, but is filed with the clerk for the exclusive use of the Court before whom the motion is to be heard. If the party moving desires a copy of the evidence for his own use he must pay for a second copy at the same rate.

On each APPEAL FROM A COUNTY COURT the applicant must purchase two copies of the evidence at five cents per folio each. One of these copies is filed with the Clerk of the County Court and sent to the Court of Appeal with the original papers. The second copy is sent to the printer to be set up for the appeal book.
