"ST. AUGUSTINE" Sacramental Wine.

The REV. DR. COCHRANE writes:—
BRANTFORD, May 23rd, 1895

Messrs. J. S. Hamilton & Co.

GENTLEMEN.—The St. Augustine Wine used in my own church on sacramental occasions, as well as in many other churches, I have always heard spoken of in the highest terms and is admirably suited for the purpose. Its deservedly high reputation for purity can be relied upon. The unfermented grape juice also commends itself to those who prefer that the wine should not be fermented and should have a large and increasing sale in our Presbyterian and other Churches.

ILL-NIGH UNTO DEATH.

THE EXPERIENCE OF A LADY WELL KNOWN IN COATICOOK.

Stricken With LaGrippe, Followed by Pneumonia, She Languished for More Than a Year. Dr. Williams' Pink Pills Saved Her When Other Medicines Failed.

From L'Etoile de l'Est, Coaticook, Que.

The town of Averill, Vt., is situated about eight miles from Coaticook, Que., and is the home of Mrs. Ada Hartwell, who has many relatives and numerous friends in the latter place. Mrs. Hartwell has passed through an experience which L'Etoile de l'Est thinks worthy of giving the widest publicity as many others may derive much benefit therefrom. Mrs. Hartwell has ever been considered a woman enjoying a healthy constitution until about two years ago, when she saw, like hundreds of others in this vicinity, stricken with influenza or as it is more generally termed la grippe, a disease which carried off many people in this town and vicinity, and in the case of numerous others left behind wrecked constitutions. As often happens, pneumonia followed the first symptoms of la grippe and Mrs. Hartwell was sick, nigh unto death.

ABLE TO RIDE WITHOUT FATIGUE

The best of medical aid was summoned, and Mrs. Hartwell was saved from what seemed to her friends imminent death, but when convalescence came, she remained deprived of her appetite, extremely weak, and in constant danger of a relapse, and all her physicians could do could not bring about her former condition of health. Numerous medicines were tried but to no avail: she was weak, dispirited and despaired of again enjoying her former vigour and health. For a whole year after her attack of pneumonia she continued to languish in this state. At last one day her husband purchased a few boxes of Dr. Williams' Pink Pills. He had read of the many cures wrought by this wonderful medicine, but procured them, he says, for his wife in order to be able to say "We have tried all," rather than from strong faith in them. To please her husband Mrs. Hartwell willingly consent to take the Pink Pills, and great was her surprise and that of her husband, when, after taking three boxes, she was able to take a short ride without feeling any fatigue. She wisely resolved to continue the treatment, and before long found that she had regained her old time strength, and she declared that she owes her recovery entirely to Dr. Williams' Pink Pills. Last winter Mrs. Hartwell felt a slight recurrence of her former weakness and again resorted to Pink Pills, since which time she has not had a day's illness.

Dr. Williams' Pink Pills have a more potent influence on the blood and nerves than any other known medicine, and speedily restore the bloom of health to pallid cheeks. Pink Pills cure when all other medicines fail. Sold by all dealers or sent by mail at 50 cents a box or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont., or Schenectady, N.Y. Refuse all substitutes alleged to be "just as good."
