PIPANS

ONE GIVES RELIEF.

NO MATTER WHAT'S THE MATTER
ONE OF THEM WILL DO YOU GOOD.

Rev. Frederick R. Martin, long-time pastor of the First Congregational Church of Washington, Mass., and at one time a prominent physician, a graduate of the College of Physicians and Surgeons, New York, says of PIPANS Tablets: "The formula has long been known with medical men, and the method of preparation in the present form is modern and a great convenience. I always keep a vial of the Tablets upon my dressing table, and use them with confidence whenever occasion arises. For a disturbed condition of the digestive organs I know of nothing so good, and for an 'all round' family remedy I do not believe there is anything better to be had."

HEALTH AND HOUSEHOLD HINTS.

Hold a hot shovel over furniture to remove white spots.

To extract ink from wood, scour with sand wet with water and ammonia. Then rinse with strong saleratus water.

To whiten the hands melt half an ounce of camphor gum, half an ounce of glycerine and one pound of mutton tallow, and apply every night.

Mildew is easily removed by rubbing common yellow soap on the article, and then a little salt and starch on that. Rub all well on the article, and put in the sunshine.

To restore gilding to picture frames, remove all dust with a soft brush, and wash the gilding in warm water in which an onion has been boiled; dry quickly with soft rags.

Mahogany furniture should be washed with warm water and soap; an application of beeswax and sweet oil upon a soft cloth, and polished with chamols, gives a rich finish.

Blackheads may be removed by washing the face at night with hot water, then drying briskly with a crash towel and applying a mixture of one ounce of liquor of potassa and two ounces of cologne.

Tomato Figs.—Six pounds of brown sugar; sixteen pounds of pear-shaped figs. Remove the skin from the tomatoes in the usual way. Cook with the sugar, adding no water, until clear. Take off, lay on plates, flatten and dry in the sun. A small quantity of the syrup should be occasionally sprinkled on them while drying. When dry, pack them in boxes, treating each layer with powdered sugar. Concentrate the syrup and bottle. These figs keep well and have a fine flavor.

To cook rice as in India take one pound of finest Patna rice, wash well, and soak in cold water for not less than twenty minutes. Have ready a six-pint saucepanful of boiling water; drain the rice and put it into the boiling water; add a teaspoonful of salt, stir it gently and let the rice boil for about ten minutes. When the grain of rice is soft enough to be crushed between finger and thumb the rice is cooked, and must be instantly drained through a colander; pour over it half-a-teacupful of cold water to separate the grains. Serve on a flat dish, and quite separate from the curry.

THE CHILDREN'S DELIGHT

PURE, WHOLESOME PASTRY,
CAKE, BISCUIT, ETC., baked with

Pure Gold Baking Powder

A RICH PUDDING SAUCE.—One-third of a cup of butter, one cup of sugar, flavoring to suit. Stir to a cream. Add half a pint of boiling water, stirring as it is poured out.—*Fanny Goodman, in the Guild Gazette.*

SPONGE CAKE.—Cup and a half of sugar, cup and a half of flour, three eggs, half a cup of water, juice of one lemon, and half of a level teaspoon of soda. Bake in a moderate oven. This is a very nice sponge cake; we like it better than any other way of making.

PLAIN SUET PUDDING.—One cup of molasses, one cup of chopped suet, one cup of raisins or mixed fruit, one cup of sour milk, one teaspoon of soda and spice to taste. Use flour to make a stiff batter. Put in a greased pudding mold, and boil three hours. This is a very nice pudding, and cheap. Bread crumbs may be used instead of the flour. It is good cold, for children's lunch in place of cake; will keep several days, and may be warmed over, and be nearly as nice as fresh.

PERFECT and permanent are the cures by Hood's Sarsaparilla, because it makes pure, rich, healthy, life and health-giving BLOOD.

PEARLINE Keep your eye on Pearline "ads."

Even if you use it already, you'll find hints that will help. There isn't a man, woman, or child but can be helped by Pearline. These advertisements are meant for the good of Pearline, of course—to show the best, easiest, cheapest way of washing and cleaning. If they do, they will help you more than Pearline. You have more at stake. All the money you could bring to Pearline, by using it, wouldn't be a drop in the bucket to the money you'd save by it.
