By Command of His Excellency the Governor General.

P. ROBERTSON-ROSS, Colonel
Adjutant General of Militia,
Canada.

The Hon. J. G. Currie, Lieutenant-Colonel of the 19th Battalion, has refused the \$250 voted by the County Council to assist in defraying the cost of rations while the Battalion was in camp here. Mr. Currie says that the Volunteers are other worthy of receiving the whole amount, \$608.88, or are not entitled to a cent. Those councillors who opposed the grant will feel rather queer about the "innards" at this refusal to accept their bounty.—*St. Catharines Journal.*

NOTICE TO QUIT—In the Peninsular war an Irish surgeon was busily engaged in the rear of his regiment binding up the wounds of a poor soldier who had received a severe cut on the head. A sulphurous bolt from the enemy killed his assistant when in the act of holding up the wounded man: "Truth" says the Irish Esculapian, "I'd better be off, for there's more where that came from."

BREAKFAST.—EPPE'S COCOA.—GRATEFUL AND COMFORTING.—The very agreeable character of this preparation has rendered it a general favourite. The *Civil Service Gazette* remarks:—"The singular success which Mr. Eppa obtained by his homoeopathic preparation of cocoa has never been surpassed by any experimentalist. By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Eppa has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills." Made simply with boiling water or milk. Sold by the Trade only in 1lb., 1/2lb., and 1 lb. tinned packets, labelled—**JAMES EPPE & Co., Homoeopathic Chemists, London.** 23-20

MUSIC GIVEN AWAY!

OR \$50 WORTH OF NEW MUSIC FOR \$3.

PURCHASERS of Music are constantly paying from 50 to 50 cents for every piece of music they buy. This is a waste of money which no family can afford for by paying 20 cents for a copy of "PETER'S MUSICAL MONTHLY" you will get from Four to Five Dollars' worth of the best and BEST MUSIC by such authors as May, Thomas, Kinkel, Keller, Becht, &c.

We have limited our circulation to 100,000 copies believing that a larger monthly edition would defeat our ends—namely the after sale of the Music in sheet form. THEREFORE REMEMBER that every subscriber, after our limit of 100,000 is reached, will have to pay \$23. (and cheap at that) WHEREAS our PRESENT PRICE IS ONLY \$3 PER YEAR. Sample copies mailed, on receipt of 50 cents. Back numbers supplied.

It is our aim to give GOOD MUSIC, and PLENTY OF IT, and we wish it distinctly understood that not a single piece is put in to fill up its pages, for we expect no profit from its circulation beyond the introduction of our Music, every page of which is afterwards printed in sheet form, AND AT FULL PRICE.

No matter where you see a piece of Music or Music Book advertised, it can always be had at our establishment, and will be mailed to you, free of postage, on receipt of the marked price.

No matter how small your order, we shall be glad to fill it.

THE CANADIAN ANNUAL REGISTER

EDITED BY HENRY J. MORGAN.

(The Montreal Printing and Publishing Company, Printers.)

It is believed by the undersigned that the time has arrived for the publication in Canada of an ANNUAL RECORD OF PUBLIC EVENTS, similar to that which has been so long published, and so well known in England. The rapid strides of the Dominion are attracting the attention of the civilized world. It will be the aim of the Editor to chronicle, each year, the leading events so happily succeeding each other in the formation of our national character and national greatness.

The Editor proposes to continue with the birth and infancy of the Canadian Confederation. The first volume of his Register will therefore contain the following:—

1. The Political and Parliamentary History of 1867, including:
 1. A Preliminary Sketch of the Proceedings in the B. N. A. Provinces in 1861-65 and '69 which led to Confederation.
 2. An Account of the London Colonial Conference of 1869-71.
 3. The Debates of the English Parliament on the Union of the B. A. Colonies, &c.
 4. The formation of the Local Governments.
 5. The General Election and its Issues, with the names of the successful and unsuccessful candidates, and the number of votes polled for each respectively.
 6. A Sketch of the Business of the Dominion Parliament, and of the several Local Legislatures with full and accurate reports of the principal speeches delivered during the Sessions of those bodies.
 7. The Financial Affairs of the Dominion.
 8. The Church in Canada.
 9. Prospects of Literature, Art and Science.
 10. Journal of Remarkable Occurrences.
 11. Promotions, Appointments and Changes in the Public Service; University Honors, &c.
 12. Obituary of Celebrated Persons.
 13. Public Documents and State Papers of Importance.

It is hoped that the undertaking will receive that encouragement which its importance deserves. The annual history which the Editor proposes to publish will be of great value to all interested in the future of our country.

Should the Register be as well received as the Editor hopes, he will spare no effort to justify future support. All that labour and impartiality can accomplish will be done to ensure the success of his work. He has been promised assistance by men in different parts of the Dominion whose capacity is undoubted. He intends, with as little delay as possible, to prepare the volumes for 1867 and 1868.

The volume for 1867 will contain 320 pp., 12. 8vo., and will be bound in cloth.

Price Two Dollars.
