PERSONAL TESTIMONIES.

REV. DR. PATON J. GLOAG, Edinburgh, Scotland: "Your work is a valuable contribution to theology. You have condensed a great amount of reading and study into small compass. Nothing is omitted; everything is stated in a clear and succinct manner, without entering into minute and abstruse details, and all that is ascertained about the books of the New Testament is brought before the reader in a convincing manner. I trust that it will have, as it deserves, a large sale, and will have the effect of furthering a healthful study of the science of Biblical criticism."

PLAIN WORDS ON GREAT THEMES. By REV. J. OSWALD DYKES, D.D.....**\$1.25.**
