

RESCUED FROM SLAVE SHIPS.

Congo and Angola Blacks Who Live Far North of Their Old Homes.

Scattered along the coast of West Africa in Sierra Leone and Liberia are a number of settlements known as Angola town and Congo town. The ancestors of the people who live in these little hamlets were born hundreds of miles south of the places where their children are found to-day.

These handfuls of Southern African people scattered among the inhabitants of Liberia and Sierra Leone are

MORE FORTUNATE

than many thousands of their friends who toiled away their lives as slaves on the plantations of the West Indies and Brazil. For these settlements were made by recent slaves, who were taken by the cruisers of the civilized nations from the holds of slave vessels.

So these more fortunate captives, who were rescued before they had been taken far from their native land, were settled far north of the Congo points where they could be protected from slave raiders.

While ago Mr. H. Chatelain visited the Angola settlement at Sierra Leone. He says in the African News that the style of the houses, the methods of the field cultivation, and the features of the people carried him at once back to Angola, where he had long resided.

SURPRISED AND OVERJOYED,

and opening his shutters called out to his neighbors to come and see the man who had been in Angola and spoke Kimbunder. They crowded around and were greatly surprised to see a white man who could talk with them in a language they had not heard from others since they were shipped from Loanda as slaves.

Chatelain found that they had entirely discarded their old beliefs in charms and fetiches, and have espoused the faith the missionaries taught them. Some of these people wished to return with their white friend to the old home of their fathers, but he could not take them.

A pawnbroker, after all, is but a poor, loan man. How to cure dyspepsia.—Chow Adams' Tutti Frutti Gum before and after meals.

In order to introduce their treatment for the cure of catarrh, asthma, and bronchitis, the Medicated Inhalation Co. of 286 Church St. Toronto, have cured a large number of people free of all charge on the condition that their treatment would be recommended after cures were made.

A good-natured spinster used to boast that she always had two good beaux—elbows. For indigestion or dyspepsia Adams Tutti Frutti Gum, recommended by R. Ogden Doremus, M. D., LL. D., and Dr. Cyrus Edson.

Life is thick sown with thorns, and I know no other remedy than to pass quickly through them. The longer we dwell on our misfortunes, the greater is their power to harm us.

Jabesh Snow, Gunning Cove, N. S., writes. "I was completely prostrated with the asthma, but hearing of Dr. Thomas' Electric Oil, I procured a bottle, and it done me so much good that I got another, and before it was used, I was well. My son was cured of a bad cold by the use of a half bottle. It goes like wild-fire, and makes cures wherever it is used."

The British Government has accorded an increase of pay and other concessions to the telegraphists.

ADVICE TO MOTHERS.

Mrs. Winslow's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for diarrhoea.

Where ignorance is bliss 'twere folly to pay \$2,000 a year to send a boy to college.

It is worse than madness to neglect a cough or cold which is easily subdued if taken in time becomes, when left to itself, the forerunner of consumption and premature death. Inflammation, when it attacks the delicate tissue of the lungs and bronchial tubes, travels with perilous rapidity; then do not delay, get a bottle of Bickle's Anti-Consumptive Syrup, the medicine that grasps this formidable foe of the human body, and drives it from the system.

An early settler—A cocktail. Sixteen Ugly Sores. Inflammatory rheumatism through wrong treatment left me with stiff joints and ugly running sores on my limbs, and for seven years I could not walk.

MARY CALDWELL, Upper Gaspareaux, N. S. How delightful it would be to love, if one loved always. But alas, there are no eternal loves.

Life, Certain, Prompt, Economic.—Thesejectives apply with peculiar force to Thomas' Electric Oil—a standard external remedy, adapted to the relief of all affections of the breathing organs for kidney trouble, excoriations, sores, was for and physical pain.

Rheumatism,

BEING due to the presence of uric acid in the blood, is most effectually cured by the use of Ayer's Sarsaparilla. Be sure you get Ayer's and no other, and take it till the poisonous acid is thoroughly expelled from the system.

"About two years ago, after suffering for nearly two years from rheumatic gout, being able to walk only with great discomfort and having tried various remedies, including mineral waters, without relief, I saw by an advertisement in a Chicago paper that a man had been relieved of this distressing complaint, after long suffering, by taking Ayer's Sarsaparilla. I then decided to make a trial of this medicine, and took it regularly for eight months, and am pleased to state that it has effected a complete cure. I have since had no return of the disease."—Mrs. R. Irving Dodge, 110 West 125th st., New York.

"One year ago I was taken ill with inflammatory rheumatism, being confined to my house six months. I came out of the sickness very much debilitated, with no appetite, and my system disordered in every way. I commenced using Ayer's Sarsaparilla, and began to improve at once, gaining in strength and soon recovering my usual health. I cannot say too much in praise of this well-known medicine."—Mrs. L. A. Stark, Nashua, N. H.
