

# To the Druggists of Canada.

A few earnest words regarding that really greatest of all Modern Remedies,

## RADAM'S MICROBE KILLER.

It seems to us remarkable that Retail Druggists stand in their own way by holding aloof from a remedy with such an eminent record as this one has. Not only this, a great demand has been created therefore, and particular pains have been taken to make the public fully aware of its wonderful qualities, by virtue of advertisements in over 150 Canadian papers, and plenty of common sense printed pamphlets.

To a certain extent we are aware that this antipathy has been created through a false and maliciously intended formula as given last fall by the *Druggists' Circular*, of New York, purporting to be the Radam Microbe Killer.

This false analysis has been copied and printed by other so-called *druggists' mediums*, until forbearance ceased to be a virtue, and these libelous defamers are being brought up with a round turn by Mr. Wm. Radam. The *Druggists' Circular* has been sued for \$200,000 damages, Col. Robert G. Ingersoll, the eloquent lawyer, as counsel for Mr. Radam. This suit can end in only one way, a verdict against the Defendants.

The reasons therefore are that Mr. Radam and his companies have made oath that no such vicious formula enters into the manufacture of the Microbe Killer, and which will be shown in court in due course of time.

The Microbe Killer is a pure water, charged with powerful microbe-destroying gases, and into the composition of which no known Acids, Opiates or Spirits enter.

We shall be pleased to have any Druggist visiting Toronto call on us, and see for himself our Laboratory, and the wonderful method in which this Medicine is manufactured.
