Mercantile Summary.—Owing to press of other matter we are
obliged to hold over till our next the continua-
tion of the articles on Political Economy.—The People's Bank of Halifax has declared
a half-yearly dividend of four per cent.—The exports of coal at the port of Sydney
for the quarter ending June 30th amounted
to 22,380 tons.—The members of the Montreal Stock Ex-
change rejoice over a resolution passed by that
body on Wednesday which closes the Saturday
Board until September next.—Mr. Jas. Goldie, late of the Bank of
British North America at Halifax, has been
appointed joint agent of the branch of the Mer-
chants Bank of Canada at New York.—Messrs. M. Holland & Son, manufacturers
of hats, alluded to in our last as being unable
to carry out the conditions of a compromise
obtained last year, have since assigned.—An effort is being made to establish works
in Quebec for the construction of iron railway
bridges, &c., at which the work of that des-
cription required on the North Shore road will
be executed.—The British and Foreign Marine Insurance
Company have not sufficient confidence in their
ability to obtain inland business enough in
Canada to warrant their making the full
deposit required for taking out a license; their
old deposit of \$48,667 in Canada Debentures
is consequently held for them at Ottawa.—The Dominion Government arbitrators are
to proceed in a few days to the Intercolonial to
decide on a large number of claims for land
damages, &c., on the line of that road that
have been referred to them. The claims number
over a thousand, and amount in the aggregate
to about \$300,000. They extend through the
counties of Temiscouata and Rimouski, from
Riviere du Loup to Metapedia.—London, Ontario, papers say we may look
for a speedy revival in the petroleum trade. In
New York the price has been tending upwards
of late and is now quoted there at 17½ to 18
cents a gallon. This affords a small margin of
