14. The High School Senior Leaving and University honor Matriculations begin.

The High Schools Act, as amended in so far as it relates to Entrance Examinations is as follows:—

38. (1) A uniform entrance examination for the admission of pupils to high schools shall be held annually in every high school district according to such regulations as may be prescribed by the Education Department. Examinations may be held at such other places in every county as shall be recommended by the county council of which notice shall be given to the inspector by the county clerk. Such places shall be affiliated for the purposes of the examination with a high school in the same inspectorial division. R.S.O. c. 226, s. 38.

(2) Every high school district shall be under one board of examiners. The trustees of the public and separate schools of the city, town or incorporated village in which a high school is situated shall on or before the 1st day of June each appoint an examiner, for the purpose of such examination. The Inspector or inspectors of public schools of the inspectorial district within which the high school is situated and the principal of the high school shall be *ex-officio* members of such board.

(3) The persons qualified to be appointed examiners shall be persons holding certificates as first-class teachers actually engaged in teaching, provided always that any person actually engaged in teaching who is the holder of a second-class provincial certificate and who has had five years' experience as a teacher may be appointed examiner, where a first-class teacher is not available within such high school district.

(4) The Board of Trustees and the Board of Examiners may agree upon the sum to be paid annually for the examination of such pupils, but in the absence of any agreement, examiners shall be allowed the sum of one dollar per pupil for conducting such examination and this allowance shall include the travelling expenses of the examiners, presiding at the examination reading and valuing the papers of candidates and reporting the results to the Education Department.

(5) The board of education, or the trustees of the high school district within which the examination is held shall on the requisition of the chairman of the board of examiners pay all the expenses of the examination at such high school, and such expenses shall be deemed to be part of the cost of maintenance of such high school. At affiliated schools the travelling and other expenses of the presiding examiner shall be paid by the county council.

(6) Any pupil passing the entrance examination may be admitted to a high school provisionally, but it shall be competent for the Minister of Education to consider the appeal of any candidate with regard to the reading and valuation of his papers or on the report of the high school inspectors, to confirm, or disallow the admission of any pupil, or to require of any pupil further tests of proficiency in any of the prescribed subjects of examination. R.S.O. c. 225, s. 41.

(7) County pupils whose examination has been confirmed by the Minister of Education shall have the right to attend any high school aided by the council of the county in which their parents or guardians reside. Resident pupils shall have the right to attend the high school of the district in which their parents or guardians reside. Non-resident pupils may attend any high school at the discretion of the trustees of such school.
