NERVILINE. WHAT IS IT?

Nerviline is a combination of the most powerful pain relieving substances known. Nerviline is not a nostrum, but a preparation which has received from members of the medical profession, clergymen, the press, and others most enthusiastic endorsement. If suffering from pain of any kind, external or local, give Nerviline a trial. Nerviline cures toothache, cramps, neuralgia, and almost instantly. Trial bottles 10 cents, large bottles 25 cents, at druggists and dealers everywhere.

A respectable man may wear a threadbare coat, but if he does he will find very few people who will believe in his respectability.

CONSUMPTION CURED.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous complaints, and having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 820 Powers' Block, Rochester, N. Y.

When we are willing to do we shall be surprised at how much we can do. A child can hold a candle for a strong man to work by.

People who don't want to keep rheumatism, neuralgia, erysipelas, lumbago, toothache, earache, hoarseness, croup, inflammation of the lungs or bowels, colic, or cramps, should keep Minard's Liniment constantly in the house, and use it freely internally and externally.

'Being temperate in all things' means to hold your tongue when you ought to, as well as to have nothing to do with whisky.

GREAT DISCOVERY.—The greatest boon to mankind discovered during the present century is Minard's Liniment, the instant remedy for all cramps, bruises, sprains, coughs, colds, quinsy, croup and diphtheria. It also allays pain in the back and limbs. There is nothing extant so good for the scalp and hair, as it removes dandruff and produces a fine silky growth of hair.

C. C. RICHARDS & Co.,

Some people have an idea that about all religion is for, is to help them to have a good time and be respectable.

It requires pious gall to play all day with the devil and at night ask God to save you.

THE TEACHEPS' ASSISTANT

To Explain and Illustrate the Canadian Church Sunday School Lessons, adopted by our Provincial Synod of Canada, Sept. 16th, 1889.

Price only 30 cents per annum.

Brimful of interesting matter on every Sunday's Lesson.

No Sunday-school Teacher who tries it will be without it.

The Bishop of Toronto thus writes respecting the Assistant:

"I strongly commend it to the notice of the Clergy of the Diocese, hoping that they will promote its circulation among their Teachers."

The Bishop of Algoma says:

"The Assistant" is certain to prove a valuable aid to conscientious Sunday School Teachers. Designed (as its name implies) to stimulate but not to supersede careful preliminary study of the lesson, it opens up new lines of thought, which cannot fail to give solidity to the instruction conveyed in the Sunday School that use it."

The Bishop of Niagara says:

"The Teachers' Assistant" will be valued by all who feel the need of their own minds being stimulated and informed before going to the class in the Sunday-school.

The design of the work is threefold: (1) To furnish concise and ready answers to the popular objections so commonly raised against the Church and her services by those not familiar with her ways; (2) To bring out clearly and concisely some of the principles of historic Christianity which distinguish the Episcopal Church from all other religious bodies; and (3) To convey in the briefest space, information on the history, doctrines and usages of the Church which every layman, and especially every teacher ought to have.

CHURCH OF ENGLAND TEACHING.

By the Very Rev. Jas. Carmichael, D.C.L., Dean of Montreal-Paper 10c. Drysdale & Co., Montreal.

The Tract was written to meet the need of the many persons drifting into the Church from other Christian bodies, without a clear realization of the great landmarks of Her distinctive teaching. It condenses into a small and readable space what every one professing to belong to the Church of England should naturally realize and understand.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease.
