**JOHN J. WITHROW.**

MUCH of the phenomenal success of the Industrial Exhibition Association is undoubtedly due to the enterprise, good judgment and knowledge of the wants and weaknesses of the public, displayed by its able president, Mr. John J. Withrow. He has occupied this position for many years, and seen the Industrial develop from a merely local institution to the rank it now holds as the foremost of Canadian exhibitions. Mr. Withrow, as a manufacturer and a man of wealth, has other interests to look after, but had he chosen to go into the public entertainment line as a circus manager he might easily have been another Barnum. He was at one time a candidate for the mayoralty, and his name has since been mentioned in connection with that position. The way in which he has managed Toronto's annual circus seems to indicate that he would fill the bill satisfactorily in running the circus at the City Hall.
