**Mercantile Summary.**

Pictou N.S., celebrated its 107th Anniversary on the 15th ultimo by having a Regatta in the morning a Scottish gathering in the afternoon, and a grand concert in the evening.

From May 1st to date, the shipments of butter from Montreal number 112,000 packages, against 83,000 packages for the same period last year. Last week's shipments were 8,910 packages of butter, and 21,395 of cheese.

DURING the week we have had some heavy rains but still more is wanted in some of the lumbering districts some of the mills are already idle, and if the logs which stuck last spring are not down in a few weeks there will be poor prospect for the mills until next seasons logging.

THE Hudson's Bay Company shipped by train from Winnipeg, on Saturday last, for Europe, two car-loads of valuable furs, consisting principally of ermine, mink, otter, beaver, fox, etc., and said to be worth \$20,000. The cargo is booked for London, England, and the gross weight is twenty tons.

MR. J. J. PERRY, a druggist in Napanee, has been sued by a namesake for nearly \$400 and judgment has been permitted to issue in default. While this has been in progress his creditors were pressing him in the courts. There appears to be something wrong in this matter and the affair is worthy of an investigation before any settlement is made.
