New York Office, 10 West 28th St. There is no limit of design into which this work can be made. It is made of any domestic or imported woods, finished natural, stained or in white and gold or bronzes. All leaning decorating, drapery or furniture houses will supply you. Patented as an article of manufacture, September 15, 1885.

Maguire's Sewer Gas Preventive, Flushing and Self-Cleaning Trap.

TORONTO, Feb. 15th, 1888. Dear Sir,—This is to certify that I have thoroughly examined "Maguire's Flushing and Self-cleaning Trap." I am satisfied that it is a great improvement on the old "Croydon" and other traps, and of its many advantages. So satisfied am I with this new improvement that I have adopted it for use throughout my works. I recommend its general adoption. Yours truly, E. J. LENNOX.

MAGUIRE BROS. (Successors to Robert Carroll) 84 Adelaide St. West, Toronto. Telephone No. 208.

SEWER PIPE, Chimney Tops, Fire Brick, Fire Clay, Portland and Native Cements. Samuel Cabot's Celebrated Mortar Colors and Creosote Stains; ALWAYS ON HAND.
