

No one doubts that Dr. Sage's Catarrh Remedy really cures Catarrh, whether the disease be recent or of long standing, because the makers of it clinch their faith in it with a \$500 guarantee, which isn't a mere newspaper guarantee, but "on call" in a moment.

That moment is when you prove that its makers can't cure you.

The reason for their faith is this:

Dr. Sage's remedy has proved itself the right cure for ninety-nine out of one hundred cases of Catarrh in the Head, and the World's Dispensary Medical Association can afford to take the risk of your being the one hundredth.

The only question is—are you willing to make the test, if the makers are willing to take the risk?

If so, the rest is easy. You pay your druggist 50 cents and the trial begins.

If you're wanting the \$500 you'll get something better—a cure!

CANADIAN INDIAN RESEARCH AND AID SOCIETY.

The Annual Meeting of the C. I. R. A. S. and the Indian Conference which were to have taken place in Toronto on May the 14th and 15th have been postponed till September next.

The local committee of arrangements met in Toronto on March 30th, and it was then decided that September being Exhibition month, and travelling rates consequently more reasonable, also Indians being better able to leave their farms at that time than in May, it was held a far better and more convenient time for holding both the Annual Meeting and the Conference.

Reddaway's Solid Woven "Patent" CAMEL-HAIR BELTING

Is as straight and as uniform in section and density as it is possible to make a belt. After working some time, the wearing faces of Camel Hair Belts obtain a smooth, finished appearance, and grip firmly; not fray on the edges; might be cut up the middle with a saw, and the two narrow belts so made set to work again; have but one joint, and being of uniform thickness throughout will run with remarkable truth, and do very heavy work; is the only satisfactory belt in wet places, in Dye Houses, Refineries, in steam, water, or great heat.

Breaking strain of 6 in. Camel Hair Belt is 14,181 lbs. Breaking strain of 6 in. Double Leather is 7,522 lbs.

We caution users against spurious makes of belting offered under deceptive names, intending to convey the idea that it is our Camel Hair Belting.

CAMEL HAIR BELTS are unequalled for "Dynamo," Saw Mills, Paper Mills, Pulp Mills, Dye Houses, Sugar Refineries, Cotton Mills, Woolen Mills, Machine Shops, Agricultural Machines, Pumping Machinery, and Main Driving generally.
