FACTS...

We Aim...

At being able to supply all your requirements in connection with a first-class jewelry store.

Our stock is large and up-to-date. We have every facility for fine watch and jewelry repairing. Special attention is given to testing and correcting eyesight by a thorough optician.

A. C. JOHNSTON & BRO.,
Cor. Princess and Wellington Streets

We have the best equipped studio in the city and employ the best artists. Mr. Weese has just returned from New York with many new and important ideas, *re* grouping, having spent some time with the artist constructing the famous R. C. clergy group of New York, a masterpiece of photographic and artistic skill. Our work excels in artistic merit.
