Shirts to order. Discount to students.

A stronghold—the bull-dog's.—*Puck.*

"Yes," said a young Philadelphian ;
"we have a fine little theatre in our city
solely for the use of amateurs." "That's
fortunate for the public," observed his
friend.

Julian Hawthorne's new story is called
"The Fatal Letter." It is supposed she
discovered it in her husband's coat pocket
six weeks after she had placed it in his
hands to mail.

Ismail Pacha, the ex-Khedive, left
Naples and went to Constantinople to
live, because he was unable to keep the
young men of Naples from making love
to the members of his harem.

"Why is it," asked a man of a fruit
dealer, "that Malaga grapes all come by
the way of Ireland?" "I never heard
that they did," answered the fruit dealer.
"They're raised in Malaga." "Yes, but
they're packed in Cork, aren't they?"

The rector had been preaching on
"The Brand of Cain," and, at the close,
pointed his finger impressively at a drowsy
sailor in the gallery, and howled, "What
are your brands, my friend?" "Nigger-
heel f' chewin' and cut plug fer smokin',"
was the willing and polite reply.

Husband (playfully, in the presence of
several guests): "I should never know
that I was getting old if my wife did not
continually remind me of the fact."
Wife: "Why, my dear, I never do."
Husband: "Oh, yes, my pet; you remind
me of it every time I look at you."

"I never saw anything in the way of
wood as large as the trees in the Yose-
mite," said Flip. "No," snapped Mme.
Flip, "you never saw anything in the way
of wood, anyway." It was her stress on
the "saw" that made Flip look uncom-
fortable.—*Binghampton Republican.*

"I don't see why you should sneer at
my engagement ring," said the fair girl,
with a flush of indignation on her cheek,
as she faced the belle of the opposition
town; "it's a great deal prettier than the
one you wore three years ago, and haven't
worn since!" No, dear," replied her
friend, with a cool far-away look in her
voice; "not prettier, but quite as pretty.
It is the same ring."—*Puck.*
