> - Work closely with Conair-BC Govt. in preparati on of forest fire prevention package for Ministe r of Interior

QUARTER: 2 - Assist Conair and B.C. Govt in efforts to win contract for fire fighting system.

> - Assist Canadair in potential sale of CL-215 to environmental agency.

QUARTER: 3 -----

QUARTER: 4 -----

QUARTERLY RESULTS REPORTED:

- We have put our efforts on hold as result of u navailability of CL-215's for export to Brazil.
- We have counselled and worked closely with Con air in preparation of its offer to be submitted in July
 - Conair proposal under evaluation but IBAMA (en vironment agency) more interested in CL-215.
 - Purchase of CL-215 remains difficult due to bu dgetary constraints.
