

PRELIM

CIIPS Working Papers are the result of research work in progress, often intended for later publication by the Institute or another organization, and are regarded by CIIPS to be of immediate value for distribution in limited numbers-- mostly to specialists in the field. Unlike all other Institute publications, these papers are published in the original language only.

Dept. of External Affairs
Min. des Affaires extérieures

The opinions contained in the papers are those of the authors and do not necessarily represent those of the Institute and its Board of Directors.
