- Imports heavy chemicals to produce urethane from England and Holland.
- Has found Canadian sources of chemical products to be satisfactory.
- Has no preference as to method of receiving information about a Canadian firm.
- Attends Chemical Specialties Manufacturing Association and National Paint and Coating Association shows.
- Reads *Chemical Week*, *Coating* and *HAPPI* (a chemical specialties magazine).
- Actively seeking sources of supply for acrylic and styrene monomers to make urethane, surfactants, resins and polyester.
