

In Witness Whereof the undersigned, being duly authorized, have signed this Agreement.

ANNEX A

PART A

(1) Nuclear material, material, equipment and technology transferred between the Parties, directly or through third countries;

(2) Equipment which the recipient Party, or the supplying Party after consultations with the recipient Party, has designated as being designed, constructed or operated on the basis or by the use of the technology referred to above or technical data derived from equipment referred to above;

(3) Material and nuclear material that is produced or processed on the basis of or by the use of any equipment subject to this Agreement;

(4) Nuclear material that is produced or processed on the basis of or by the use of any nuclear material or material subject to this Agreement,

PART B

Without restricting the generality of Part A above in the case of significant transfers of technology or equipment related to the enrichment or reprocessing of nuclear material or the production of heavy water, and upon notification of such significant transfers by the supplying Party, for a period of twenty years from the first operation of such equipment or of equipment or facilities using such technology that equipment in any facility whose design, construction or operating processes are of the same or similar type as the facility designed, constructed, fabricated or operated on the basis of or by the use of such information or equipment shall be deemed to be equipment referred to in paragraph (ii) of Part A above.
