

1.1.2 Changes in DFAIT's indeterminate workforce between 2001 and 2006

Chart 2 provides information about numerical changes in DFAIT's indeterminate workforce between 2001 and 2006:

- Total strength (CBS and LES) increased by 1,314 employees between 2001 and 2006.
- The number of CBS rose by 1,017 between 2001 and 2006.
- The LES workforce grew by 297 over the same period.³¹

³¹ It should be noted that some LES work for other partner departments. See Section F for more information about the makeup of the LES workforce.
