

By unanimous consent, it was ordered,—That Sessional Paper No. 7/11, entitled “Closing Statement of the National Conference on Price Stability” laid upon the Table by the Honourable the Minister of Consumer and Corporate Affairs (Mr. Basford) Wednesday, February 11, 1970, be printed as an appendix to this day’s *Hansard*.

Debate was resumed on the motion of Mr. Lewis for Mr. Saltsman, seconded by Mr. Burton,—That this House condemns the Government’s policies which have deliberately created unemployment up to a crisis level, thus placing the country in danger of a recession, but which have failed to stop the rapid and continuing increase in the cost of living, and this House therefore calls for the immediate implementation of full employment measures, and a commitment to a comprehensive prices and incomes policy.

After debate thereon, proceedings on the motion expired.
