Captain F. B. Bagshaw,
Temple Building,
11th Avenue,
Regina, Sask.

My dear Bagshaw:-

I am attaching herewith copy of
a letter which I sent to McAra the other day.

I wish you would tell me just
what is the matter in Regina. Every other Branch
of Last Post Fund in Canada works in the closest
co-operation with Dominion Headquarters, sending
in their returns promptly and thus facilitating our
work in sending returns to Ottawa. Saskatchewan
doesn't do this and for what reason I do not know.
Can not a few of you who take an interest in these
things see that all the regulations of the Fund are
complied with. Last Post Fund has a Dominion charter,
has regulations approved by the Dominion Government
and, of course, must conduct its business in a
regular way.

I would be very glad to have
from you news of the 2nd Brigade Reunion, of which
I have heard nothing. A week before the event came
off I wrote a letter to Dundee, who had asked for a
message, but about 7 o'clock on the evening of your
reunion I received a telegram from Kam Bedson asking
for a message. I hope it got there in time but I
wonder what happened to my letter to Dundee.

With all good wishes, I am,

Yours faithfully,
