My dear Hodgson,-

I duly received your telegram from Winnipeg and advised the Executive of the Club accordingly.

While they very much regret that His Excellency will be unable to be present on this occasion they hope that at some future time it may be possible for him to attend one of their dinners.

Will you kindly convey to His Excellency on behalf of the Club their thanks for the good wishes which he has been good enough to send them.

Yours faithfully,

Major Patrick K. Hodgson, M.C.,  
Government House,  
Ottawa.
