## ELECTRICITY AS APPLIED BY THE OWEN ELECTRIC BELT AND APPLIANCES.

## RHEUMATISM.

It is not pleasant to be compelled to refer to the indisputable fact that medical science has utterly failed to afford relief in rheumatic cases. We venture the assertion that although electricity has only been in use as a remedial agent for a few years, it has cured more cases of Rheumatism than all other means combined. Some of our leading physicians, recognizing this fact, are availing themselves of this most potent of Nature's forces in supplying defects and correcting irregularities.

## TO RESTORE MANHOOD AND WOMANHOOD.

As a man has not yet discovered all of Nature's laws for right living, it follows that everyone has committed more or less errors which have left visible blemishes. To erase these evidences of past errors, there is nothing to equal Electricity, as applied by the Owen Electric Body Battery. Rest assured that any doctor who would try to accomplish this by any kind of drugs is practicing a most dangerous kind of charlatanism. Use the Electric cure and shun the drug stores.

## WE CHALLENGE THE WORLD

to show an Electric Belt where the current is under the control of the patient as entirely as in this. We can use the same Belt on an infant that we would on a giant by simply reducing the number of cells. Ordinary belts are not so. Other belts have been in the market for five or ten years longer, but to-day there are more Owen Belts manufactured and sold than any other makers combined.

**ELECTRIC INSOLES.**—Dr. Owen's Electric Insoles will prevent Rheumatism, and cure Chilblains and Cramps in the feet and legs. Price \$1 00. Sent by mail.

## BEWARE OF IMITATIONS AND CHEAP BELTS.

Our attention having been attracted to base imitations of the "Owen Electric Belt," we desire to warn the public against purchasing worthless imitations of the Genuine Owen Electric Belt that has stood the test of years, and has a continental reputation.

Our Trade Mark is the portrait of Dr. A. Owen, embossed in Gold upon every Belt and Appliance manufactured by the Owen Electric Belt and Appliance Co.

The cheap so-called Electric Belts advertised by some concerns are perfectly worthless as a curative power, and dear at any price. Send for illustrated catalogue of information, testimonials, etc.
