HENRY HOGAN, Proprietor.

This Hotel, including the entire block which is admirably
situated, being in the very heart of the City and contiguous
to the General Post Office, Public Buildings and other places
of interest and of business, has recently been acquired by Mr.
Hogan, the former Proprietor, who has handsomely and appro-
priately decorated and repainted the interior, and completely
refitted the whole of the apartments with new furniture, comprising 100 new rooms, making the
present number of apartments 250. A new and Elegant Passenger Elevator has also been added, and
the Halls and Public Rooms are lighted by the Electric and incandescent lights, making it the most
attractively lighted Hotel in the Dominion.
The Hotel is under the immediate personal supervision of Mr. Hogan, than whom no one is better
qualified to conduct a hostelry of such magnitude as the St. Lawrence Hall, and than whom no one
has gained a better reputation as an obliging, generous and considerate host.

All Baggage Checks should be given to the Porters in Attendance.
