

IVER JOHNSON

SAFETY AUTOMATIC REVOLVER

The Sign
of Positive
Safety

HAMMER THE
HAMMER

Iver Johnson means
Safety, and Safety means
Iver Johnson—the two are
inseparable.

Drop it, kick it, knock it, thump it, "Hammer the Hammer"—it can't go off accidentally. And its safety is automatic—nothing to remember to do to make it safe. That's why women are not timid about having an Iver Johnson in the home.

Choice of three grips: Regular, Perfect Rubber, Western Walnut.

Three Booklets, one or all FREE on request
