UNIQUE CARNIVAL AND CIRCUS HELD

Two-Fold Object in Presenting This Entertainment at Arena.

TO BOOST TORONTO

Proceeds Will Go Towards Motor Ambulance for Canadian Soldiers.

A really commendable spectacle was the advertising circus and carnival given under the directors of the Toronto Advertising Club last night at the Arena. The club had a two-fold purpose in presenting this event. First to boost Toronto business houses, and second, to show their patriotic feeling toward the Toronto boys at the front by purchasing a motor ambulance for their use from the money derived from tickets sold.

Monster Pageant Parade.
A monster pageant parade was held in the afternoon and before the evening performance, thru the downtown streets. From the armories to the Arena, the 48th Highlanders' Regiment, Band led the parade, followed by the Consumers' Gas Co. Rifle Association in command of B. J. Sutherland.

Thirty Firms Represented.
About thirty well known firms of Toronto had wagons and floats in the procession. The 47th (Croat) Boy Scouts carried banners upon which were mottoes boosting Toronto.

At the opening of the carnival, John Slater conducted the massed band of 100 men, which played "The Maple Leaf" and continued playing patriotic airs during the entire program. The band was composed of the 48th Regiment, Royal Grenadiers, and 10th Regimental Bands.

The program was arranged in displays. Display number one was a procession of all the performers, which included 500 gymbars from the Central West End and Broadway Y.M.C.A. branches. Fifty clowns, representing natives from all parts of the empire, and the Consumers' Gas Co. Rifle Association.

Y.M.C.A. Boys Prominent.
Most of the numbers were given by the Y.M.C.A. boys including dancing in novelty costumes, physical and fancy drills, bar work and exhibitions, under the direction of Fred J. Smith of Central O. J. Lee of Broadway and T. W. Stafford of West End.

Clever Feature Acts.
Some very clever feature acts were given by E. J. Hammond on the high wire and trapeze. Miss Mayne Munro danced the "Skittery Hop" and some good juggling was done by "Bondo." Frank Wood gave an exhibition of slinging iron hoops. A chariot race between Central and Broadway Y.M.C.A. caused a great deal of amusement. Professor

PORTION OF CIRCUS PARADE

Crowds of Toronto citizens watched with interest the circus-parade held yesterday—Photo shows one of the floats turning into James street, off Queen.

Warner's monkeys gave a comedy gym stunt. There were horses too, but they were only Y.M.C.A. horses, mock elephants, donkeys, an ostrich with feathers of many colors, and Charlie Chaplin in disguise was there too. Oh, yes, there was Samantha too, who had lost her beau "aute" and her faithful calling for her strayed away lover was a scream.

109th Regiment Attend.
At the close of the displays the 109th marched into the Arena, under command of Captain A. E. Hall, and "God Save the King" played by the massed bands, closed the first night's performance.

GRENADIERS 500 STRONG.
Lt. S. T. Blackwood Becomes Acting Adjutant Vice E. G. Joy.

Under command of Lieut.-Colonel H. Brock, the Royal Grenadiers paraded 500 strong at the armories last night and went thru a strenuous course of training in platoon drill. The orders for the week announce the appointment of Lieut. S. T. Blackwood as Acting Adjutant, Vice Lieut. E. G. Joy, who has been detailed for guard duty at Camp McPherson, Kapuskasing, Ont. The junior officers are asked to report to the ante-room at 8:15 Monday, April 26.

be held, starting from the armories at 12 and in the evening at 7. **Loaded With Shines.**
One of the most exciting events of the night was the racing in of a "Jitney" loaded with 500 "Walk-Over" Shoe boxes. In twenty of these boxes was the left shoe of one of "Walk-Over" latest model. A note was attached to the shoe saying that the mate would be given free of charge on application at the store.

In the remaining 80 packages were assorted prizes, and in each one was a pass entitling the bearer to a free shine until December 31, 1915.

the record which Thomas W. Score has just completed at a Robert street store. In accomplishing it Mr. Score has sold many thousands of garments to thousands of St. Paul men, and he is today probably one of the most widely-known salesmen in St. Paul.

Carries Store Key.
It was 27 years ago that he began selling at this store. Until a year ago it was established in the same building in which it was located when he entered the employ of the firm, and Mr. Score retains today the key with which he entered the store 27 years ago.

Has Seen Changes.
The veteran salesman has seen some changes in the clothing business. "If I had bought such goods as that 25 years ago I would have lost my job," he said. "Now I would lose my job if I did not buy them."

Demand Evening Clothes.
Mr. Score pointed to a case of high-grade evening suits. "If I had bought such goods as that 25 years ago I would have lost my job," he said. "Now I would lose my job if I did not buy them."

Life of Selling.
Mr. Score has spent practically his entire life in the clothing business, for he served an apprenticeship of six years in his father's factory in Canada before coming to St. Paul in 1887. He was born at Toronto in 1862. Mr. Score lives at 815 Aurora avenue, and is a member of the Masons, Oddfellows and the St. Paul Athletic Club.

Once Again Telephone Girls Assist Red Cross Society.

GAVE FINE PROGRAM

This Time It Was Long Distance and Adelaide Operators.

Splendid service is being rendered by the telephone girls of Toronto, who have been active in raising funds for the Red Cross Society. The second of a series of concerts undertaken by them in aid of this fund was given last night in the Gull Hall. This entertainment was under the auspices of the operators in the Adelaide and long distance exchanges, and proved an unqualified success from every standpoint.

The entire program was supplied by members of the two exchanges and the efforts of the various performers were greeted with much enthusiasm. In many ways the entertainment was quite unique. It opened with a chorus of 18 girls dressed as Red Cross nurses, assisted by a group of others in the uniforms of the allied armies.

Announced by Bugle.
During the remainder of the program the nurses remained seated upon the stage in a semi-circle, with Miss Margaret Ross in the uniform of a captain of Canadian troops in the centre. Each number was announced by a bugle call, and altho the program was lengthy, there was no waiting. One of the hits of the evening was the duet by Miss Hunter and Miss Burdon, in which they impersonated a couple of "Tommys," while Miss McMahon, in her Scotch character song, provoked much laughter and received a distinct ovation.

The program included instrumental and vocal, as well as elocutionary numbers, and closed with a merry little sketch entitled "A Kiss in the Dark," which was delightfully done by the Misses Lochhead and John Craig.

WALKERVILLE, April 22.—A committee of 50 Walkerville citizens started out today to raise \$10,000, the balance yet unsubscribed of the \$50,000 promised by the town to the Canadian Patriotic Fund.

What President Falconer Says About Speakers' Patriotic League.

President Falconer, of the University of Toronto, has made the following statement in connection with the work of the Speakers' Patriotic League:

"May I be allowed to say that I believe that the league may do a very large and important work in conducting a campaign of education in the country as to the meaning and issues of the present war? If the people are informed and aroused by being made to understand what is involved in this world struggle for western civilization and the ideals of our empire, they will be ready whenever the call may come in the future, either to provide men or money. Such an opportunity should not be let slip."

RIFLE RANGES CLOSED.
