

York County and Suburbs of Toronto

TOWNSHIP SCHOOL HAS NEW FEATURES

Building Under Construction in Northeast Section Well Equipped.

COST EIGHTY-THOUSAND

Includes Gymnasium, Library, Museum and Large Kindergarten Room.

Still another school is being rushed to completion on the southeastern border of the Township of York and bids fair to rival the school opened last week at Todmorden, which is one of the finest in the Dominion. This new school is situated at the corner of Barrington avenue and Johnston street, in the section of the township to the north of East Toronto. A good deal of rivalry exists between the people of this district and those of Todmorden as to which possesses the better school; the former claiming that theirs may not be absolutely fireproof and is a little smaller, yet they are ahead in several other things. The school will have ten rooms and accommodation for over five hundred pupils and the total cost of land and buildings will be about \$80,000. It is built of the best quality red brick, with white limestone trimmings, and the only wood used in the construction is in the floors and doors, the former being hardwood. Terra cotta fireproof flooring is being used in all the rooms, while all the corridors have

terrazzo flooring. The trimmings inside the corridors are of buff pressed brick. Two large Spencer boilers will be installed in connection with the heating apparatus. Either of these is sufficient to heat the building in ordinary winter weather, but the precaution of installing two boilers affords ample protection in case of extraordinary cold weather. The ventilation and sanitary systems are the most up-to-date.

Perhaps the most interesting features in connection with the building will be the gymnasium, library and museum. The largest room in the school has been set aside for a gymnasium and another large room on the top story, well lighted by two big skylights, will be used as a museum and library. The kindergarten room, which is the second largest in the building, is also located on the top story. In the basement, adjoining the gymnasium, are shower baths for boys and girls. There are also waiting and lunch rooms in the basement. The staff of the school will also be well provided for, lunch, waiting and sitting rooms and a kitchen having been set aside for their use. Standing on two and a half acres of land, ample room is provided for the open air recreation.

Three Temporary Schools. As an indication of how the population of the district has increased, the trustees of the section have found it necessary to open three temporary schools to accommodate the number of pupils applying for admission. Two of these for the older children have been built on the school site and the smaller children are taught in the basement of the Church of the Resurrection, Woodbine avenue.

At present there is a staff of five teachers and the principal, Mr. Johns. On the opening of the new school the staff will be considerably augmented.

IRISH RIFLE CLUB.

Next Saturday the Irish Rifle Club will have the special opening practice of the season, when all members are expected to turn out. Plenty of ammunition, it is intimated, will be provided.

COMMISSIONERS ADVISED TO ISSUE BUS PERMIT

North Toronto Application Endorsed by Council—Maybe in Operation Today.

A temporary permit may be issued today by the police commissioners for the operation of a motor bus on Yonge street, north of the C.P.R. tracks. D. D. Beld of North Toronto, who is interested in the venture, appeared before the city council yesterday and pleaded for some definite action regarding the application. After much debate a motion was passed recommending that a temporary license be issued by the commissioners.

The bus, which has been purchased by a few local men, is already in North Toronto, and if the permit is issued this morning it may be in operation this afternoon.

MARKHAM TOWNSHIP

The death of Robert Cox, a well-known resident of Markham Township, took place at Thornhill on Saturday afternoon after an illness extending over some months. Deceased, who was in his eight years, was born at German Mills, a short distance east of Thornhill, and had resided in the township and village all his life. John and Joseph Cox, now deceased, were brothers. He is survived by a widow. The funeral takes place on Tuesday afternoon at Richmond Hill Presbyterian Cemetery. The late Mr. Cox was a Conservative and a prominent member of Thornhill Presbyterian Church.

MIMICO BOWLING CLUB.

A fine schedule of games for the season has been drawn up by the Lawn Bowling Club at Mimico, and play on the greens now goes on uninterrupted. The opening match, that between the president, W. Bowman, and the vice-president, Andrew Dodd, resulted in a win for the latter. The efficient lighting system fixed over the greens will be turned on tonight.

STILL HAMMERING TOWNSHIP COUNCIL

Fairbank Meeting Carries Resolution Re Insurance of Soldiers.

MEMBERS USED TO GAS

Suggestion That They Go to Front and Fight the Germans.

"That this meeting of the West Fairbank Ratepayers' Association recommended that York Township Council raise the sum of \$30,000 for the purpose of insuring township soldiers. Failing this we strongly advise the members of the York Township Council to enlist in a body in the next campaign without insurance." The suggestion was made by Cecil Roy, and seconded by W. Munroe was carried unanimously at a well-attended meeting in Caledonia Hall, last night. "It is disgraceful the apathy shown by the men we put into the council to do our will," said W. Munroe. "The whole township wishes the soldiers to be insured. I think, however, that there is too much discrimination against Deputy Reeve Miller, and the whole council should be called to account."

Very Fair Offer. "The Metropolitan Insurance Company has made a really fair offer, and we should insist that it be taken advantage of. There is nothing too good for our soldiers, and the \$1000 insurance will enable every soldier's widow to make a start in life again."

BABY POINT

W. C. Clarke, one of the trustees of the Baby Point School Section, No. 32 of the York Township, has tendered his resignation, and a public meeting of ratepayers will be held on Friday

TENDERS WANTED

BOARD OF EDUCATION New Central Technical School

The Advisory Industrial Committee of the Board of Education, Toronto, will receive sealed tenders, addressed to the Secretary-Treasurer, on or before Tuesday, June 8th, 1915

for Concrete Sidewalks, Grading and Seeding of the Grounds.

Plans and specifications may be seen on and after Friday, May 29th, at the office of the architects, Messrs. Ross & Macdonald, 100 York Street, Toronto. Each tender must be accompanied by a certified cheque of five per cent. of the amount of the tender or its equivalent in cash, applying to said tender only. Sureties for all tenders exceeding four thousand dollars must be furnished by a surety company. Tenders must be in the hands of the secretary-treasurer, at his office in the City Hall, not later than 4 o'clock on the date mentioned, after which no tender will be received. The lowest or any tender will not necessarily be accepted.

RHYS D. FAIRBAIRN, Chairman of Committee. W. C. WILKINSON, Secretary-Treasurer.

evening next in Baby Point Methodist Church, for the election of a trustee to take his place.

Messrs. Wright and Smith, the two local men, have it said, been appointed architects for the new school to be built at a cost of about \$23,000 on St. Mark's road, to take care of the children of the section, who are now taught in the Jane Street Methodist Church.

UNIONVILLE TO INSTALL FIRE FIGHTING SYSTEM

Protection Urgently Needed—Question Fully Discussed Last Night.

A largely attended and enthusiastic meeting was held in the Village of Unionville last night to deal with the question of installing a fire protection system. Great interest was manifested in the proceedings throughout and the gathering was practically unanimous for the installation of some system of fire protection, the two or three schemes were outlined.

The chair was occupied by Wm. Smith, chairman of the commission, and a number of leading business men of the town dealt at some length with the question. Among these were H. H. Powers and A. H. Brown, less members of the board, Chas. H. Stiver, T. O. Harding, Rev. Mr. Williams, G. A. M. Davidson and others.

Cost of the installation of a complete system, fire and domestic, at a cost approximately of about \$5000 exclusive of land damages, which are not expected to be very large. The village, he stated, was exceptionally favored in point of situation, having an abundance of water, and the fact that the river at several points crossed the streets, would lessen the cost of installation. The springs to the north of the town were considered of exceptional purity, being a continuation of the Lemonville flow.

Subsequently by a unanimous vote the commission was authorized to secure a preliminary report outlining the cost, and Mr. James will be empowered to secure the necessary data.

WARD SEVEN AUSTRIAN INTERNED AT BARRACKS

Had Been Making Pro-German Speeches—Farewell Presentation to Fireman.

Charged with a breach of the Alien Enemy Act, John Wazaniak, an Austrian, was arrested yesterday on Weston road by Police Constable Hess of No. 9 Police Station. It appears that Wazaniak had been urging his friends to get together and make some move in favor of the German-Austrian cause. He was stopped short by a Russian, who informed the police of what was going on. Commissioner A. J. Russell Snow sent Wazaniak to Stanley Barracks, to be interned.

Wm. Harris Smith, of the Eaton Machine Gun Battery, visited his comrades of the Keele Street Fire Station yesterday to bid them goodbye, before leaving for Niagara tomorrow. His brother is also a member of the battery, and the brothers go to Niagara and the front together.

Mr. Smith, whose family resides at 9 Harvard avenue, has been for eleven years a member of the Toronto Fire Brigade, six at the Lombard Street Station and five at Keele street, and as a token of the esteem in which he is held he was presented on Thursday

night last with a gold locket engraved: "From his comrades of Keele Street Station."

He was formerly a member of the Royal Canadian Dragoons, having spent some years at Stanley Barracks.

NOW'S YOUR CHANCE TO SHOW YOUR LOYALTY

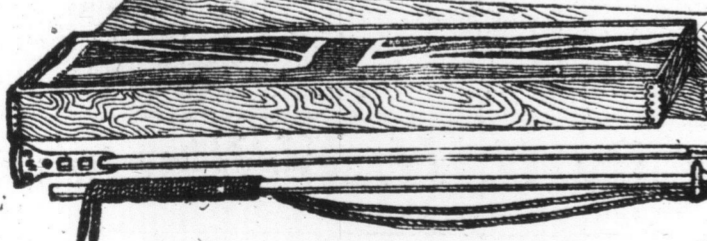

GEORGE V

who, according to recent cable dispatches, expressed his desire that the usual expenditure of money for banquets and other forms of celebration be omitted this year and that he would appreciate it if his loyal subjects WILL DISPLAY FROM THEIR HOUSE FRONTS THE EMPIRE'S FLAG as evidence of their patriotism on his birthday.

Presented BY THE Toronto World AS EXPLAINED IN COUPON BELOW

Complete \$4.00 FLAG AND Outfit

The Flag—full size, 3 x 5 ft., fast colors.
A Rope Halliard for same.
A Six Foot Jointed Flagstaff, with ornamental ball end.
A Metal Staff Holder (which may be permanently screwed to the window sill—allowing the pole to be instantly inserted or removed at will).

The complete \$4 Outfit (now distributed at \$1.48) consists of the Flag—full size and fast colors; a rope halliard for same; a six-foot, jointed flagstaff with ornamental ball end, a metal staff-holder, which may be permanently screwed to the window-sill, allowing the pole to be instantly inserted or removed at will. All enclosed in a box, in which the complete outfit may be permanently kept in compact space when not in use (size box, 2 1/2 inches square by 3 feet long). The price of \$1.10 is for the full-sized flag alone, as some readers may not need the pole and outfit.

Do Not Confuse these superb, patriotic emblems with cheaply gotten up or stamped colors, or small flags. Bear in mind every flag is full sized (3 x 5 ft.), big enough to cover a man completely; the colors are dyed in, fast, unfading; the material is weather-tough and wind-tested.
