T. C. McDowell's crack Kentucky

filly, Waterblossom by Waterboy—
Basseting, won the opening day feature, the Canadian Derby, by a head
from the Hamilton Derby winner, The
Waterblossom won her last Finn. Waterblossom won her last seven starts in Kentucky and made it

eight straight Saturlay.

Waterblossom was the second choice, and at the rise of the gate Martin raced her into a three lengths lead. At the turn-out at the back stretch the Finn gained a little. Byrne took the favorite to the centre of the track, in the home stretch, and after a hard drive the Finn just failed to get up and was beaten a head by Water-blossom. The English-bred horse, Royal II., ran a much better race than he did in Hamilton, and was a

King Hamburg, Rancher and Commanada were withdrawn owing to the change in the going. The last two rangeond and third in the Hamilton Derby, but none of them have shown anything in the slop. It was only a three-horse race, but it was hard fought all the way.

This spring the pari-mutuels were installed at this track, and tho the public were a little green as to the way they was controlled, they went right to the "iron men" and gave them a good battle on every race. The old betting ring has been rebuilt under the spacious grand stand, and 27 totalizing mutuels installed, and there is no overcrowding like there is at other tracks. Of the 27 machines three are combinations, one straight and place combination, and two three-way combinations.

Opposite the grand stand in the infield there is a large board which shows the prices on the first three horses.
