

	PAGE
Treatment of urticaria	17
Trephining, palliative, tumour	188
Trophic changes, cause of	102
— — from division of post. nerve roots	174
Trotter on nerve suture	170
Tumour of brain, misleading localizing signs of	207
Tumours in cerebello-pontine angle	192
— of cortex, localization of	201
— spinal cord	178
ULNAR palsy, symptoms of	160
Urates, origin of, in the body	117
Urea output on nutrient enemata	225
Uric acid, origin of in body	117
— — deposit, treatment of	124
Urticaria, treatment of	110
VAGUS, action of chloroform on	152
— influence on gastric juice	68
Vasomotor reflexes	163
Venous blood-pressure, how measured	15
Venous pressure in shock	24
Vestibulospinal tract	177
Vision, cortical localization of	194
Visual word centre	204
Vomit, prolonged, after chloroform	157
Von Noorden on diabetic coma	148
— — — pancreatic diabetes	143
WALLERIAN degeneration in nerve fibres	160, 169
— — — spinal tracts	175
Walton on shock	37
— — intestinal shock	80
Warrington on division of posterior nerve-roots	175
Warrington and Murray on nerve anastomosis for infantile palsy	173
Water, absorption of by bowel	98
— supply and goitre	44
Watson, Chalmers, on goitre	45
Weil on horse serum for hæmophilia	113
Wells on iodothylin	43
Wells and goitre	44, 48
Willcox on gastric HCl	83
— — infantile dyspepsia	85
Wright, Sir Almroth, on hæmophilia	108, 113
XANTHIN	119, 121
X-rays in mapping out stomach	75, 77
