CANCERS CURED

By a new, but certain, speedy, and nearly painless process, and without the use of the knife. The cure will be guaranteed, and, as a proof of this, no pay is required, until the cure is complete.

The moment a cancer is discovered, it should be cured as it will cost less and is more speedily cured than when of longer standing, and there is nothing to gain, and everything to lose by delay.

What now seems a harmless lump in the breast, neck, eye-lid or elsewhere, or small wart or sore on the lip, may, in a few short months, become a hideous, disgusting, destroying mass of disease. If required, references can be given to parties who have been cured many years since, and who are now sound and healthy.

ALL COMMUNICATIONS PROMPTLY ANSWERED.
