Trotting Record at Hartford

Note and Comment

With the Toronto baseball team away from home, and the two across teams thru for the season, you find about the biggest Saturday's sports of the year at hand. There is everything of the best, including soccer football, polo, lawn tennis, sailing, rowing and paddling, amateur horse racing and harness racing, not to forget the races on the half-mile track at Dufferin Park.

Ed. Barrow and his Royals sat in the grand stand at Rochester yesterday and saw the Hustlers wallop Joe McDonald and his team. The Hustlers will probably take a lot of the snap out of the pennant contenders. The leaders have to-day a more advantage over the Hustlers. Rochester must lose four while Newark is winning the same number to change places, and the Iron Man may look for more troubles with Jersey City and Baltimore.

The Hustlers play five games here next Monday, Tuesday and Wednesday, and there is any doubt about the pennant when these are over Joe Kelley must get the credit.

Subscriber, Rosemead, Ont., asks us to decide a bet on the Grand Trunk strike. It is drawn, according to the official findings of the arbitrators.

There is a soccer protest to come up to-day at the noon meeting of the committee of the Ontario Football Association. The Thistles have a misapprehension about their game that should have been played last Saturday in Galt. There was a difference over the time with the result that the Thistles postponed their trip all together for the day.

Goulding, the young Canadian waiting champion, improving all the time, was his Olympic conqueror, Webb, the veteran, this afternoon at the Exhibition. Both have trained assiduously for the meeting. They walk two races, at one and three miles.

John Paton, recently removed to Winnipeg from Toronto, has achieved some success in his new environment in lawn bowling. In doubles having won the championship of the Fort Rouge bowling club in the city. Mr. Paton is the well-known cricketer who has occupied last year the presidency of the Victoria Club and won many a notable victory in this city.

Here is a colorful dig on the last of racing in New York. The persistent battle carried against the sport has left a trail of its carnage. When the state was a few years ago it was a sport that talked only in millions. The various owners of the state were worth a few millions. They are still valuable, but far from the figures of the former days. The state has been reduced to a few millions. The state has been reduced to a few millions. The state has been reduced to a few millions.

There is hardly any doubt that the men who have been interested in the situation are sanguine. Whether the future to disclose. But the fact remains that for the first time in the history of racing in this state the curtain fell on Aug. 31. The struggle has not followed down to a struggling drive down the homestretch. Will the sport reach the wire first? That we will have to wait and see.

Lake Erie Races Off.
 ERIE, Pa., Sept. 9.—The Lake Erie sailing regatta, scheduled to be held at Edinboro, Pa., next week, has been called off and the races now being held at Canton, Ohio, will close here.

Because of the difficulty in Ohio, caused by the stopping of pool selling, early in August, many of the boats have been left at Canton. The boats have been left at Canton. The boats have been left at Canton.

British Rink Wins at Sarnia.
 SARNIA, Sept. 9.—One rink of British bowlers stopped off at Sarnia to-day to give the local a game. Mr. John Kirkland was the skip and he succeeded in getting another win to his long list, defeating a rink in this state the curtain fell on Aug. 31. The struggle has not followed down to a struggling drive down the homestretch. Will the sport reach the wire first? That we will have to wait and see.

New Bowling Club in London.
 LONDON, Sept. 9.—A third lawn bowling club was organized for London to-night, the Elmwood, South London, with a membership of 50. The club has secured a ground in the vicinity of Elmwood-avenue and Edward-street.

Bob Day and Burke of Boston, who has spent the summer in Toronto, met in a friendly bout at the Parkdale C.C. smoker last night. They were three rounds to the margin in favor of the Scotchman.

Mr. John Macdonald extends an invitation to all lovers of the horse to inspect the new Cumberland Stables at 51-53 Belmont-avenue.

At Lowell-Worcester, 3 Lowell 8, 1 Lynn-Lawrence, 2, Lynn 6.
 At New Bedford—New Bedford 2, New Bedford 6, called in the seventh by agreement.

At Fall River-Fall River-Haverhill game postponed, wet grounds.

BISONS ARE SHUT OUT BY THE KELLEY CREW

Rochester Beats Newark by 7 to 4—Skeeters Defeat Grays—Two Games at Buffalo To-day.

BUFFALO, Sept. 9.—(Special.)—It all happened in one inning—the first. Toronto rolled in three runs on Joe Deleahanty's double, O'Hara's well-stretched single, the bobbles of Smith and Mullen, and some fast feeding by the Magic Legs. After that had started the fans witnessed a ball game. Big Jack Cronin was in the pit and against him was Doc Newton, whose heart-side flings were so puzzling that the Bisons came out of the scrimmage without a tally. The pitching of this pair was the big feature of a well-played and stoutly-contested game. Toronto secured nine hits, Buffalo three less.

The twirlers worked very steadily, and sent the ball right over the pan. Cronin handing out but two passes, Newton four, while the strike-outs were three for Cronin and five for Newton. Toronto it is drawn, according to the official findings of the arbitrators.
