Baby Dreadful Sufferer. Could Not Keep Him from Scratching. Every Joint Affected. Used Cuticura Soap and Ointment and He Is Well,

"Enclosed find my son's photo and I feel by writing these few lines to you I am only doing my duty, as my son was a dreadful sufferer from excema. At the age of two weeks he began to get covered with red spots on his legs and groins, which mother thought was red gum or thrush; but day by day it grew worse until every joint and crevice were affected and baby-started screaming for hours day and night, such a thing as sleep was out of the question. I took aim to two of Sydney's leading doctors; one said it was one of the worst cases he had seen, the other did not think it so serious; one ordered ointment for rubbing in, the other a dusting powder. I followed their prescriptions for over four months and still baby kept getting worse. I could not keen him from actatching
