Rank in Lawn Tennis

U.S. Official Placing

McLoughlin of California Acknowledged the Most Consistent Performer.

NEW YORK, Dec. 16.—Maurice E. McLoughlin of San Francisco heads the list of the "first ten" among the tennis players of the country, according to the report made public by the ranking committee of the United States Lawn Tennis Association. With T. C. Bundy of Los Angeles, McLoughlin also heads the list in the doubles class.

The rankings are based on the standing of the players for the season of 1932, and not on the judgment of the individual men. For ranking in the singles class, each player must have participated in at least three tournaments, and in the doubles class each pair must have taken part in two tournaments. At the request of the Pacific Coast Tennis Association, none of the players of that division is ranked, except those who played in eastern tournaments this year.

Others in the first ten in numerical order are: R. Norris Williams, Wallace F. Johnson, Cynwyd, Pa.; William J. Clothier, Wynnewood, Pa.; Nathaniel W. Niles, Boston; Thomas C. Bundy, Los Angeles; Karl H. Behr, New York; Raymond D. Little, New York; George F. Gardner, Cambridge, Mass.; and Gustav F. Touchard, New York.

Ninety players in classes of ten each also were ranked by the committee, according to their standing in tournaments this season. No numerical standing was awarded in these classes, as the players thus designated were found to have made about the same records. The committee also listed thirty players whose records probably entitled them to places in some one of the ten classes for singles, but who failed to file their season's cards with the association. The second and third groups of ten, designated as Class 1 and Class 2, respectively, are as follows: Class 1—George M. Church, Alfred S. Dabney, W. Merrill Hall, F. H. Harris, W. T. Hayes, A. H. Mann, Jr., Lyle E. Mahan, Dean Mather, T. R. Fell, Frank J. Suloway.

Class 2—J. J. Armstrong, Craig Biddle, H. H. Hackett and W. M. Hall; R. D. Little and G. F. Touchard; W. T. Hayes and J. H. Winston; W. J. Clothier and G. P. Gardner, Jr.; N. W. Niles and A. S. Dabney; H. H. Hackett and R. D. Little; K. H. Behr and F. C. Imman; H. Hackett and L. E. Mahan; R. N. Williams and Craig Biddle.

Teams Travel Together.

MONTREAL, Dec. 16.—At the annual meeting of the Intercollegiate Baseball Union on Saturday night, it was decided to adopt the same schedule as the college hockey league. The following officers were elected: President, George Kennedy, McGill; vice-president, J. Boddy, Varsity; secretary-treasurer, A. Raitt, Queens.

All members of Parkview F. C. are requested to attend a special meeting tomorrow night at 8.15. Medals will be presented to juveniles and juniors. Certificates will also be given back. A good number should be at this meeting, which will be held at Frank Ash's, Lansdowne and Bloor street.

Arthur Irwin Going to Bermuda.

NEW YORK, Dec. 16.—Negotiations for the engagement of Frank Chance as manager of the New York American League baseball team were further delayed today when a message was received from Chance stating that he would be unable to meet Frank Farrell, the owner of the Yankees, in Chicago on Thursday. Farrell had suggested a meeting on that date, and is trying to arrange for later conference. Arthur Irwin, the club's business manager, is going to Bermuda this week to consider the possibility of having the Yankees train there next spring. Decision as to this, however, will be left to the playing manager of the club.

The Broadway Hockey Team Held a Meeting Last Night and Decided to Enter a Team in Each Series of the Beach League, namely, senior, junior and juvenile. They also decided to hold a house league, with about a dozen teams, and will commence practice as soon as the weather permits.

Down in Ottawa they are howling about Pittre going to Quebec. "Nothing but a put up job to beat Ottawa," is the way Manager Green of the Capital city team puts it. According to Green, Canadians have a string on Pittre and if Quebec are put out of the running early the Frenchies will recall Pittre to help down the Senators. It was ever thus in Ottawa.

Stewarts of Ottawa play Toronto an exhibition game at the Arena Friday night.

That was a nice crowd at the Arena Saturday night. Hockey is a long way from dead.

Rugby Situation in Hamilton.

Hamilton Herald: Should the Rough Riders represent the Hamilton Rowing Club in the O.R.F.U. next year, will mean three senior teams in Hamilton, and it might as well be said now as after that three teams will not thrive even in this football city. Again, if the Rowing Club grabs the Alert franchise, it will give the Ontario Union officials too much backbone, and will injure the Alerts to a certain extent. What Hamilton should do is to steer clear of the O.R.F.U. altogether. Alerts are a good team—good enough to bring the Dominion championship to Hamilton—and it's this city that should stand by them. Boycott the O. R. F. U.
