Brantford Club Showing a Change of Heart and Will Vote For Second Series.

[Special to The Advertiser.]
ERANTFORD, July 3.—It was intimated nere today that at the meeting of the M. and O. League delegates at Detroit on Sunday there was a strong probability of the double series being put in force on July 10, in spite of the fact that it was voted down here last Monday, by 4 to 3. The Brantford club, although not agreeing with the proposition, may favor the weaker clubs by the vote of the local representative. Saginaw, not represented at the last meeting, will have a delegate at Detroit.

They made every effort to beat out the Canadian pacer, but he gamely stuck with them all and came through with the victory in fine shape. This is the third \$1,000 stake Trampquick has won in three weeks. His work has been a feature at every one of the Ohio meetings.

London's Early Lead Lasts Until the Sixth, When Loose Work Gives Visitors Win.

[BY BERT B. PERRY.]

Bobby Hendrion pitched fine baseball yesterday afternoon against Battle Creek with the exception of one inning. In this frame, the sixth, Jenkins' men crowded over enough runs to win the game, the score being 4 to 1. Hendrion couldn't find the plate in the sixth. Previously, he had been using a nice curve ball and sending the visiting hitters back to the bench displayed in Season Sund a nice curve ball and sending the visiting hitters back to the bench discomfited. But in the sixth, he tried
out his spitter and before he could get
the side retired the game had taken on
a mighty different aspect. Stewart's
men had piled up a one-run lead in
the second inning, and with Hendrion
pitching the kind of ball he was guilty
of in the first five stanzas, this lead
would have sufficed. But one bad inning spoils a good ball game, and the

524 ning spoils a good ball game, and the 467 locals also seized upon the sixth frame 442 to uncork a couple of boots that helped 409 the contest on its way to the Battle 1.152 Creek win column.

"Red" Got Most London Hits.

"Red" Milligan, who usually hits from the port side of the platter, stepped the port side of the platter, steeped across yesterday because Buller, the visiting hurler, was a southpaw. As a result, "Red" helped his batting figures considerable. He had three hits, one a double, in four times up. Buller, one a double, in four times up. Buller, though, seemed to have the number of every other London player, although the locals managed to comb him for a matter of ten safeties. He was strong in the pinches, though, and he pitched himself out of two or three bad places. Milligan's double drove in the lone London counter, Pittenger being on second when the blow fell.

Hendrion's Wildness Started Trouble. Hendrion's Wildness Started Trouble. Hendrion caused most of the trouble for himself in the sixth by walking Kaylor. Then after Caesar had sacrificed, he handed Main a charity after getting two strikes on him. In an effort to catch Main off first, Hendrion heaved to Newman who let the ball

Impromptu Umpire Looks Good.

There were few fielding features, the visitors playing airtight ball all through and giving Buller fine support. No league umpire put in an appearance, so both managers agreed to a young chap named Taylor, who claims to have done some umpiring in the States. Taylor is a military boxing instructor, and he fitted in nicely as an umpire, his work being better than that of most of the officials who have come here this season. He will likely try and land a second worked Jensen, the south-leps and Lotshaw one each. Schriver very much worsted Jensen, the south-leps are recently secured from Newark, the latter being hit hard. The Saginaw pitcher's hitting was the one big feature of the game. The score:
