BARRISTER ARRESTED

On Charge of Forgery of Mortgage Upon St. George St. House.

Charged with forgery of a mortgage upon a St. George-street property, Dugald Campbell, 187 McCaul-street, bargain Campbell, 12 restricted and solicitor, was arrested Saturday evening. It is alleged that Campbell not only got the amount loaned upon the mortgage, but that the property being put up for sale under the mortgage by the mortgagee, Campbell later collected the proceeds of the sale, realizing in all about \$2500. The owner of the property declares that she had never seen Campbell, and the mortgage was not known of until she was notified of the sale. Campbell was let out on bail, one surety of \$4000 being put up by a man named Sinclair,

UP-TO-DATE CHINAMEN Gambling Den Equipped With Secret Alarms and Barricades.

VANCOUVER, B.C., Jan. 23 .- (Special.)—Have the Chinese proprietors of various gambling joints hired white men to act as thugs? Revolvers, secret men to act as thugs? Revolvers, secret electric alasms, barricaded doors and a novel grating made of rope were other features of protection the keep-ers of 49 Pender-street employed last night in their resistance to two detectives. Six white men were arrest-

Continued From Page 1.

that with the existing conditions he is glad not to have control of the government. Premier Asquith would be equally pleased to escape the perils of piloting the party thru the troubled waters. There are precedents for him to ask the King to summon another leader to form the government, but no one expects him to haul down his flag.

flag.

All the prophets made the prediction that the new cabinet will find itself in the minority within a year, and that the country will plunge into another general election.

The remarkable figures recorded at this stage of the balloting foreshadow clearly how nearly equal both the pop-

clearly how nearly equal both the pop-ular vote and the membership of the house of commons will be divided be-tween the two great factions. The popular vote stands:
Unionists 2,565,627.
Liberals 2,324,315.

This gives the united Liberal-Labor party a majority of 153,802 in a total vote of 5,285,157. Laborites 395,115. t

Parties Are Tied. To-day the membership of the house of commons is a tie, the Unionists and the combined Liberal and Labor party each having elected 218 representatives.
One hundred and sixty-seven seats one hundred and sixty-seven seats remain to be filled, of which 102 are English. In the last parliament these were: Unionist 36; Liberal 115; Nationalist 16. Should the present trend of voting continue, neither the Unionists nor the Liberals can muster a major-the filteral adozen and the National Control of the Control ity of more than a dozen, and the Nationalists, with 83 votes, will be whol-

ly masters of the situation,
Attitude of the Peers, The pools and the It's men will be the dominating forces of the next parliament. Premier Asquith has two battles to fight, to reform the lords and ties to right, to reform the lords and to pass the budget which failed, and the budget for the coming year. The prospect is that both the peers and the Nationalists will vote for the budgets. The house of fords can be reformed only by a bill which the lords must swallow. They may done that the

swallow. They may deny that the country has given a mandate for this. The Unionists insist that the elections have not proved that the country de-sire a change in the historic status of the upper house. They argue that a bare majority is not enough. No country with a written constitution, such as the United States, they point out, can make such changes by a mere

Nationalists Govern. The position of the Nationalists is inique. With them all questions are subservient to home rule. The tariff reformers claim that the Irish are all protectionists, if they could vote that issue without complications. The Nationalists in the last parliament devices of the saviour of eight from local undertaker has received a tele-

Agents of the railway company are measure of political strategy.

Home rule is not likely to get far next session, according to well versed politicians, because the reform of the house of lords, which the prime minister has written at the head of his program, promises a great struggle.

John Redmond, leader of the Najonalists, will be a figure almost as squith each.

The according to well versed politicians, because the reform of the trains are still being transferred at the gine, which accounts for their severe injuries from bruises.
