

# Everything Reduced in Insurance Sale

**T**HE success of our Fire Insurance Sale has gone beyond our expectations. We're going to enlarge its scope by bringing into the sale every garment in our showrooms--those splendid high-class lines which escaped the smoke by being stored in air-tight cases, and all newly arrived goods from the factory.

So here's the order from to-day until Christmas: Every garment in the house at a reduction of 25 per cent. Those affected by smoke will still be sold regardless of cost or value at marked Insurance Sale Prices, and are on sale in the rear showroom up stairs. All high-class garments in the showrooms were originally marked at moderate prices for quick selling and therefore this reduction of 25 per cent. brings them beyond the line of bargains.

Our factory stands ready equipped to turn out your order at once should you not find anything in stock to satisfy you.

There is extra help to assist you--no goods charged. Here's a partial list:

### CAPT. TOM HAS FINE MEETING IN MIMICO

Big Budget of News From the Junction--General News From the County.

MIMICO, Dec. 17.—(Special.)—In point of enthusiasm, in attendance, and in all elements of a successful campaign meeting, that of to-night held in the public school will long stand as a record. That the candidate for Centre York, Capt. Tom Wallace, occupies a warm place in the affections of the residents in the thickly populated and progressive district was plainly manifested, while the reception accorded the Hon. Geo. E. Foster, and R. R. Ganey, Mr. Whitney's government, exceeded, if equaled, through the campaign.

The Hon. Mr. Foster spoke briefly before leaving for Ottawa, but the "Man from Manitoulin" was in magnificent form, and the mastery manner in which he exposed the shortcomings of the Laurier administration, and incidentally in passing, by comparison, reviewed the progressive policy of the Whitney government, brought joy to the hearts of Conservatives present. It was a great meeting, and will, it is said, have a far-reaching effect.

Deputy Reeve Warner of Etobicoke ably presided, and briefly introduced Hon. Mr. Foster, who, as other portions of the riding, reviewed the tariff policy of the Laurier government, and their failure to redeem the pledges made. He criticized the action of "Arohio" Campbell in accepting a senatorship, together with his failure to keep faith with the market gardeners. The government last year paid out in bounties no less than \$3,000,000, the former opposed to the latter.

"This is a white man's country," said Dr. Forbes Godfrey, and must be so maintained. Workmen in Mimico would make this a greater country. The doctor then had a heart to heart talk with his audience, and closed with a strong appeal for Capt. Tom. Instead of government of government, we have a railway-owned government, and later, "the senate is a useless corporation, the members were some of the trufans thrown out by the candidate."

Mr. Whitney forced the autonomy bill, the meeting proceeded, and Capt. Tom, "and then he made a strong appeal for support, which secured a responsive chord in the crowd."

Referring to Centre York and its geographical position, R. R. Ganey said: "There will be no such thing as constituencies in New Ontario as in this riding, and if there are any constituencies in Ontario, they are in the Hon. Mr. Whitney will not receive my vote," and the audience cheered him to the echo.

of distress in their congregations, and those who might not have any religious persuasion could be looked after by the mission. Rev. Thos. Cowan was of the opinion that help should not be given outlying districts without talking the matter over with representatives from churches in those districts. After valuable suggestions as to ways and means had also been given by Rev. Dr. Pidgeon, Rev. T. Beverley Smith and some of the ladies and gentlemen present, the following motion, moved by Rev. Thos. Cowan, seconded by Mr. Smyth, was passed unanimously: "That a committee of citizens be formed to investigate any cases of distress in the town or outskirts."

A motion moved by Mr. Beattie, seconded by Rev. Dr. Pidgeon, "that this committee consist of president, vice-president, secretary and treasurer" was also carried unanimously. W. H. Howell was elected president; Mrs. Beattie and Mrs. Clendenan, vice-presidents; Mr. Moffit, secretary, and J. T. Jackson, treasurer; Mrs. Macnamara, Mrs. Ford, Mrs. Keicher, T. J. Smyth, Mr. Jennings, Mr. Ellis Campbell, executive committee.

Following the example of city temperance organizations, Councillor Armstrong proposes to form an organization for the purpose of holding Sunday lectures on temperance and similar subjects for those who do not attend church. Mr. Armstrong proposes to hold the services in Mr. Joy's Theatre, which has a seating capacity of about 250.

The Curling Club will hold a meeting on Friday evening, Dec. 19. Albert Parsons appeared in police court to-day on a charge of being drunk. He stated that he was looking for work, and magistrate allowed him to go with a warning as to his future conduct.

A Christmas entertainment for the children of Victoria Presbyteriar Church Sunday School will be held on Thursday evening in the church parlors. The town was in darkness to-night for about an hour, owing to a temporary breakdown of one of the engines at the Stark power station. Candles had to be used in the postoffice, as there is no gas supply.

The firemen were called out to-night by a still alarm to extinguish a fire in the Chisholm Block, occupied by Wm. Hynds. The damage was slight.

The assistants in the medical and surgical service will divide up the outside work. H. V. Chance, an artist of ability, from London, England, who has been working for The World and other Toronto papers, has opened a studio at 1 Van Horn-street, Toronto Junction.
