TOWNSHIP WANTS
NIGHT POLICE STAFFSpecial Efforts Needed in
View of Prevailing Offences
in District.

"Resolved that the clerk be instruct-
 ed to communicate with the police
 commissioners of the county of York
 stating that it is the desire of this
 council that a night staff of police
 officers be appointed to deal with pre-
 vailing offences such as theft, etc.,
 which are becoming so numerous that
 special efforts are needed to curb the
 same, and that action be taken by the
 commissioners to have the work put
 into effect at once."

The foregoing resolution was unani-
 mously passed yesterday afternoon by
 the township council, upon motion
 of J. A. Macdonald, third deputy reeve,
 and seconding of W. J. Graham, sec-
 ond deputy. The members intimated
 many instances calling for action, and
 that the need of night police
 in York township was something
 which the public had been demanding
 unanimously.

Yesterday was the first meeting
 since the return of Reeve F. H. Miller
 from a motor trip thru the western
 States and western Canada.

Application was made to the Hydro-
 Electric Commission for five lights on
 Danforth road connecting to Scarboro
 town line. The application has been
 twice repeated recently by the council,
 who claim that officials of the commis-
 sion are persistently referring poe-
 sion back to the township. The council
 stated that, saying the commission will
 give light if they get the application
 of the township. "The application has
 been repeated to the Hydro-Electric
 for the years now," said Mr. Mac-
 donald.

Dr. Herbert A. Bruce appeared ask-
 ing the council on behalf of himself
 and E. H. Wood to request the city
 council to set aside a specific water
 area leading from Lawrence Park east
 will be required. The council decided
 to view the section described on Tues-
 day afternoon.

The following contracts for street
 pavements were approved subject to
 the work being done this fall. "It
 would not be fair to allow contractors
 to hold these over until spring," said
 Reeve Miller, "and allow them to take
 advantage of lower costs."

Adas avenue, from south line to
 Norman avenue, 100 feet; Robina ave-
 nue, west side, from Holland avenue
 to Williamson avenue, 1,200 feet;
 Woodbine avenue, from Lumsden ave-
 nue to Savoy avenue, 875 feet; Earle-
 dale avenue, north side, from Oakwood
 avenue to Mulberry avenue, 1,045 feet,
 and south side, from end of present
 walk to Mulberry, 355 feet; Dundurn
 avenue, east side, from city limits to
 north of Plan No. 1,415, and west side,
 from McNab avenue to end of Plan
 1,415.

Also water mains on Grandville ave-
 nue, 1,175 feet; Yeatman road, from
 Western road easterly to Marston
 street, 420 feet.
 It was decided to construct a sewer
 157 feet long on Atlas avenue to con-
 nect four tenements and relieve over-
 flowing septic tanks, before the road is
 made permanent.

Reeve Miller had a trip of 4,800
 miles by auto mostly over grass land.
 He reports that the grain was mostly
 all in, and that thru the whole west
 the crop of potatoes is exceptional.

In both Canadian and American
 sections in the west, pupils assist the

NEW TELEPHONES
WILL BE INSTALLEDDelay Caused by Company
Equipping Other Sections
of the City.

New subscribers to the Bell Tele-
 phone Co., living in the Cedarvale
 section of St. Clair avenue, may ex-
 pect to see their phones installed with-
 in the next month. The delay has
 been caused thru the extra expense in-
 curred by the company in equipping
 other sections of the city, and money
 shortage, each new section having to
 be taken up and equipped as soon as
 the funds of the company are avail-
 able. According to Frank Kennedy,
 general manager of the Bell Telephone
 Co., in a statement to The World, this
 was one of the reasons that they ap-
 pealed to the public, so that money
 would be forthcoming for expansion
 stated that, each new section being
 newly laid out district, which has
 come into existence since the war end-
 ed, and many fine houses have been
 erected here. Some residents have the
 use of a party line.

Complaints of the discourtesy of
 conductors on the Avenue road cars
 are again coming in. A serious ac-
 cident was only narrowly averted when
 the 7.05 car was leaving St. Clair and
 Avenue road last night. Instead of
 the car stopping to take up passengers
 who were waiting at Grace Smith,
 it went off practically empty. Two old
 ladies who attempted to board the car
 were thrown to the ground, but the
 conductor made not the slightest ef-
 fort to render assistance. To a passenger
 on the car who remonstrated with him
 he replied that instructions were given
 him by the inspector not to wait for
 passengers. Considerable indignation
 is expressed in this locality at this
 treatment.

The Earlscourt Poultry and Pet
 Stock Association will hold their first
 annual show on October 23 at Ken-
 wood Hall. All classes of birds will
 be exhibited from Fairbank, Oakwood,
 Silverthorn, and Wyckwood. It is ex-
 pected that several hundred high class
 birds will be shown.

The first dance of the season under
 the auspices of the Earlscourt branch
 of the G.A.U.V. was held at Ken-
 wood Hall. There was a large attend-
 ance of veterans, their wives and
 sweethearts. McCombe's orchestra
 furnished the music and there were
 many original costumes to be seen.
 Refreshments were served, and the
 dance was a decided success. P. J.
 Whittaker is president of the branch.

A special meeting has been called
 by the British Imperial Association for
 Monday night next at the Earlscourt
 Public School to hear an address by
 Rev. P. Stapleton, secretary of the
 "Social Note in Politics." Other
 matters also will be brought up prior
 to Mr. Stapleton's address. G. Willis
 is president and A. W. Russell, sec-
 retary.

 that here to teach our foreigners pa-
 triotism."

 drunk and also with a breach of the On-
 tario temperance act. He had Irish.
