

6. Matriculants in Arts, of any University in Her Majesty's Dominions, will be exempted from passing the Matriculation examination of this college only when such university matriculation is equivalent to that of the Council.

7. In the case of graduates in Arts, it is provided that where it is shown that a course or courses of lectures have been attended by the graduate in Botany and Theoretical Chemistry, and that he has already passed an examination on these subjects, he will not be required to pass again on these subjects before the examiners appointed by the Council. However, the candidate will require to prove that he has attended one course of lectures on Botany and two full courses on Theoretical Chemistry.

8. Every Medical Student after matriculation, shall be registered in the manner prescribed by the Council and this shall be held to be the preliminary to his Medical Studies, which shall only be considered to begin from the date of such registration.

MEDICAL CURRICULUM.

1. Every student after his Matriculation has been registered, must spend a period of Four years in actual Professional study, except as hereinafter provided.

2. Graduates in Arts of any college or university recognized by the Council, will only be required to pass Three years after graduating, in attendance upon Medical Lectures before being admitted to their Final Examination.

3. Every student shall attend Medical Lectures for at least Three Sessions of six months each, and the said Three Sessions must be included in the first three years.

4. Each "Six-Months Course" shall consist of not less than One Hundred Lectures.

5. Every student must attend the undermentioned Courses of Lectures* in a University, College, or School of Medicine approved of by the Council, viz. :
