KING MAIN UNION

LOCAL NEWS

Miss Beatrice Gigg of this city, who is spending a few weeks at Hopewell Cape, was injured when a team in which she was driving collided with an automobile.

A band concert given last evening by the City Cornet band in King square was greatly enjoyed and appreciated by a large number of people.

The South Bay fair, which was continued last night from Saturday, was a great success. Hundreds of people attended and the weather conditions were excellent. Some \$700 worth of prizes were disposed of. The games were all in full swing and a substantial sum was added to the receipts of Saturday.

Elias George and Elias Tom are paying dearly for their dash across the border in not declaring their automobile. As announced they were forced to pay \$800 as the value of the car and an additional \$200 as duty. The Canadian immigration officials have now had them in the police court for violation of the immigration laws. It is said they may be deported. The case now rests with the immigration officials.

PRESENTATION TO H. SELLEN

At a meeting of Dominion Lodge No. 141, L. O. A., last night, an address and past master's jewel were presented to Past Master Q. M. Sgt. Harry Sellen, who has sailed with No. 8 Field Ambulance. All the male members of Mr. Sellen's family, and his mother's family are now in khaki with the exception of one son, who is medically unfit through deafness. He has one son, three brothers and seven nephews in uniform.

Addresses were delivered by Henry Kilpatrick, P. L. Potts, Sgt.-Major Westall and H. W. Sallis; piano solos were given by Miss Kierstead and Mr. Bond. The presentation of the past master's jewel was made by Mr. Kilpatrick and the address was signed by him and by George T. Corbett and Charles L. Hamilton.

A Sad Deceit

As she stood outside the little country inn two great tears shone in her innocent eyes, tears so large that the passing cyclist saw them. Beauty in distress called him to dismount and ask if he could be of any assistance. "I'm afraid not, thank you," replied the damsel sorrowfully, as she pointed to an automatic chocolate machine attached to the wall of the inn. "I put a penny in that thing and nothing has come out." "That's soon remedied," said the young man confidently. He slipped a coin in the slot, and then another, and another. After the sixth he muttered angrily, raised his cap and pedalled wildly away. As he disappeared a female head peeped round the door. "Any luck?" asked the owner thereof. "Oh, yes, ma'am," replied the simple damed girl. "That's the tenth. I've netted three bob since dinnertime."

Men's Fall Overcoats

Prepare For Cool Evenings With One of These Fashionable New Models

In bringing these Fall Overcoats to the attention of St. John men, we are quite certain of general approval, as considerable time and study have been given to the selection of these garments. They were made by Canada's leading manufacturers, and in designing, tailoring and quality of materials are most exceptional. There is a good variety of models, affording opportunity of satisfying every individual desire. Special mention might be made of the "Huddler," also a Covert "Slip-on" Coat destined to be very popular. These attractive Fall Overcoats are either full-back or semi-fitting and in three-quarter lengths.

You owe it to yourself to see this exhibit and try on a few coats while assortments are unbroken.
