

NEVERS TO COACH TROJANS BASKETBALL TEAM AGAIN THIS YEAR

WILL ARRIVE IN SAINT JOHN NEXT MONTH

Maine Mentor Was Here Last Year—Team Now in Training

IT WAS announced this morning by Walter Golding, manager of the Trojans basketball team, that negotiations had been completed with Herbert Nevers, of Patten, Me., for him to act as coach again this season for the team. Mr. Nevers was here last year and handled the team throughout the season, the Trojans making such a good showing that they fought it out with the Montreal A. A. aggregation for the honor of meeting the fast Regina team for the Dominion championship. Early in the first game of the two-game series here last year "Les" Kerr, star of the locals, was injured, and his loss to the team had much to do with the Trojans' defeat.

Mr. Nevers is very popular with the players and will be welcomed back to Saint John. It is expected that he will arrive here about the second week in December.

The Trojans are training hard for the opening of the City League and are said already to be in good condition. The first big outside game here this season will be with the University of Maine on New Year's Day.

DICK FINNEGAN NOT RECOGNIZED BY N. Y.

Must Fight Winner of Chapman-Bass Match, Says Commission

NEW YORK, Nov. 19.—That the New York commission does not recognize Dick Finnegan, of Boston, as featherweight champion after his defeat of Chick Suggs Monday night was indicated by the commission's action in inviting Charles Cardo, manager of Red Chapman, of Boston, to appear here in regard to a continuance of the featherweight tournament.

The commission will ask Cardo and Chapman to arrange a battle here with Benny Bass, of Philadelphia, the winner to meet Finnegan for the title, which was vacated some time ago by Louis Kid Kaplan, of Meriden, Conn., who has since become a lightweight under Billy Gibson's banner.

Cardo announced recently in behalf of Chapman that they would have no more dealings with the New York commission. The Bostonian is incensed because he was twice matched with Kaplan, when he held the title, to box at the Queensboro A. C. and both times the bout was cancelled because of injuries to Kaplan's hands. However, it is believed that the commission here can get Chapman's cooperation in clearing up the featherweight situation by boxing Bass and the bout will be held in the Garden in January.

Berlenbach-Sharkey May Fight in Garden

NEW YORK, Nov. 19.—Jesse Maher, matchmaker at the Garden, appeared before the New York Boxing Commission recently and sought permission to negotiate with Jack Sharkey and Paul Berlenbach for a heavyweight fracas in January. Both boxers are under contract to box for Humbert J. Fugazy, so the Garden management cannot sign the boxers without the commission's approval. As Fugazy has not been able up to the present time to find a suitable indoor arena, it is possible that the commission may release the boxers from their obligations with Fugazy. Chairman Farley told McMahon that the commission would take the matter under consideration and give him an answer next week.

Senators, Maroons, Bruins Win National League Games

OTTAWA Senators won their opening game from the Canadiens, 2-1, and Montreal Maroons blanked the New York Americans, 2-0, in National Hockey League fixtures last night. At Detroit, in the same league, Boston defeated Detroit, 2-0.

SENATORS IN HAPPY START

FORUM, Montreal, Nov. 18.—Ottawa Senators runners-up last year in the National Hockey League made an auspicious start in their 1926-27 campaign when they defeated the Canadiens here tonight 2-1. The game was played before a crowd of 8,500 fans, who turned out, practically filling the Forum to welcome back the winter sport for another season.

Ottawa outclassed the Canadiens and with their stone-wall defence kept the game safe once they established a lead. The Ottawa scores came in the first and final periods and both were the results of smart play. Hooley Smith started the scoring, beating Hainsworth after passing by the Canadian defence. The second Ottawa goal was the result of a clever shot to the upper corner of the net on a pass from Clancey to George Boucher. Canadiens score came in the last five seconds of play when Leduc carried a rolling puck through the Ottawa defence and beat Connell. The tally came too late to be of use to the local team. The game was a typical early season affair. Combination was ragged and the players were not in their best condition. However, there were many brilliant plays by individuals to thrill the crowd. Hooley Smith starred for Ottawa.

The line-up:

Ottawa	Canadiens
Goal	Hainsworth
Defence	Gardiner
Clancey	Mantha
Centre	Morens
Left Wing	Joliat
Right Wing	Denney
Goal	Smith
Defence	Gagne
Substitutes	W. Boucher

Third period—2, Ottawa, G. Boucher, 9:20; 3, Canadiens, Leduc, 10:35.	
Penalties: First period—Clancey, W. Boucher (2), Adams, Hooley Smith.	
Third period—Leduc, Joliat, Finnegan, Alex Smith.	

2 GOALS IN FIRST PERIOD

MADISON SQUARE GARDEN, New York, Nov. 18.—Two goals by Punch Broadbent in the first period gave the Montreal Maroons a 2-0 victory over the New York Americans in a scheduled National Hockey League fixture here tonight.

The veteran right winger of the world's champions got the first on a rebound and his second when he stepped around the Yankee defence to bore in on Forbes, draw the goalie out and flip the puck into the empty net.

Tonight's game saw the Montreal team give a display which marked their games last season. There was pep to the attack while the defence in front of Benedict was like a stone wall. What American threats sifted through, were ably handled by Benedict, who was called upon to make several miraculous saves.

DEFENCE SUCCEEDS

In the latter part of the game the visitors went to defensive hockey in a successful effort to defend their victory over the New York Americans. The game was a two-goal affair, but their efforts mostly individual, failed to make much of a dent on the Montreal goal.

On the whole the game provided plenty of fast hockey on the part of both teams, with the visitors giving the more impressive display.

The line-up:

Montreal	New York
Goal	Forbes
Defence	Simpson
Noble	Langlois
Centre	Burch
Left Wing	R. Green
Right Wing	McKinnon
Substitutes	Bouchard
Phillips	Randall
Holloway	Roach
Dismore	Smith
Hines	Scott
Rothschild	Boucher
Summary:	Referee—Lou Marsh.
First period—1, Montreal, Broadbent, 5:07; 2, Montreal, Broadbent, 6:40.	
Second period—No score.	
Third period—No score.	
Penalties: First period—Simpson, Selbert, Noble.	
Second period—Simpson, Red Green, Carson.	
Third period—McKinnon.	

THE NUT CRACKER by Joe Williams

NOW that Princeton has formally withdrawn from the Big Three it is to be hoped the boys will proceed to take up football in a serious manner.

THERE will be a national convention of riding clubs held in New York in January, but we see no mention that John McGraw of the Giants is to be among those present.

THE good people of Stroudsburg are going to throw a fancy feed for Gene Tunney. It is erroneously reported that Dempsey's chef will prepare the meal.

THE dope chart shows Connie Mack used eight different fielders last season, at least one or two of whom were ball players.

IT seems that Princeton was unable to see the humor of the Harvard football situation, which has, indeed, been quite comical in recent years.

THE old army game is something that is frowned on in modern football councils, but it seems to be going over fairly well for the West Pointers.

WOMEN like to look in mirrors to bask in the reflected glories of drugstore complexions.

SO many people have been bounced off Queen Marie's royal train that the commission surprised the engineer and fireman are still on it.

WHAT'S become of the old-fashioned wisecracker who used to throw the party into a panic by saying "And so's your old man!"

ALL the home-coming battles aren't fought on the gridiron, as any "unavoidably delayed" young husband will tell you.

Copp and Harrington Win By Lone Point

MONTREAL, Nov. 18.—Cecil Hart, manager of the Canadiens, has filed a protest with President Frank Calder, asking that the game between Boston Bruins and the local aggregation played last Tuesday when the Bruins won by a score of 4 to 1, be "thrown out" owing to the terrible conditions under which it was played.

In his protest Hart says "the mist was higher than the players." The game was played in Boston.

U. N. B. AND TECH CLASH TODAY AT SACKVILLE

Winners Probably Will Play in Semi-Finals for McCurdy Cup

HALIFAX, N. S., Nov. 18.—The University of New Brunswick will clash with the N. S. Technical College this afternoon at Sackville in a sudden death game to decide the Maritime intercollegiate championship.

Last year the same teams won the sectional titles and played off at Sackville, the U. N. B. team winning by a score of 14-3, after the count had been knotted 3 all at the end of the first half, and through most of the second session.

The New Brunswickers are placing their hopes on the machine-like three-quarter line while the locals are depending largely upon their forwards to carry them to victory. The field at Sackville today was reported as muddy.

The Engineers have been practicing hard during the past week, and appear to be in excellent shape for the important battle.

The U. N. B. line-up will be the same as played the final game in the series with the Wanderers. Two spares, Fowler and Stratton, are being carried. Coach Burden will not make the trip with his warriors to Sackville, but J. F. MacCarthy, coach of the Mount Allison team, will act as adviser to the Red and Black.

Tech's line-up will be as follows: Forwards—Anderson, Clancy, Kyle, Freeman, Cameron (Capt.), Tuttle, McKendler, Halves—Welford, Roper, Morrison; three-quarters—Hart, Morrison, Horne, Currie, Moore; full-back—Cronbie; spares—McAlpine, Malone, Wright and Hewitt.

MAY PLAY FOR CUP

The winner of today's contest will likely meet the winner of the Caledonia-Mount Allison game which is to be played tomorrow at Truro. The determined winner is to meet the Wanderers for the McCurdy Cup, emblematic of the Maritime Provinces championship.

Coach's wish is creating widespread interest throughout the Maritime Provinces, and a close contest is expected to develop. Murray will handle the whistle.

MORGAN DEFENDS CROWN TONIGHT

Meets Carl Duane in Fight for Junior Lightweight Title at Garden

NEW YORK, Nov. 18.—Tod Morgan, of Seattle, will risk his junior world's lightweight title in a local ring for the third time within a year when he faces Carl Duane, of New York, in Madison Square Garden tonight.

Morgan twice has whipped decisive, before New York crowds, strong contenders who sought to lift the crown he won from Mike Ballerino almost a year ago. Kid Sullivan, former champion, was knocked out in six rounds, and Joe Glick lost a decision to the title-holder in a 15-round bout, the same distance as that tonight, in the same ring.

NORTHAMPTON, Eng., Nov. 18.—Coming from behind in the second half of a game that was played in wretched weather, and on a sodden field before 9,000 spectators here today, the New Zealand Maoris played the selected East Midlands fifteen to a tie-point draw in a game under the auspices of the Rugby Union. The Antipodeans were three points in arrears at half time and remained in that situation until near the end of the game when a brilliant try by Falwaser brought the equalizer.

STIRLING WINS

MIA, Fla., Nov. 18.—Young Stirling, Georgia, won the judges' decision in a ten-round bout here tonight with Ed. K. O. Smith of Savannah, Ga., and Johnny Harrison, of Akron, Ohio, featherweights, fought a ten round draw in the semi-finals.

STEVE O'NEILL WILL PROBABLY MANAGE LEAFS

Has Been Offered Position As Leader of Toronto Team

TORONTO, Nov. 19.—It can almost be taken for granted that Steve O'Neill will be the next manager of the Toronto Baseball Club. President Solman says so and he should know. Howley's right-hand man and the man who had more to do with the development of the great pitching staff which twisted Toronto into a pennant and the junior world's championship with an indifferent team otherwise can have the berth if he wants it. Mr. Solman made him an offer that in his own best interests he can hardly refuse. It is altogether likely that the local manager will be in a position to make a statement in the matter.

In the event that O'Neill turns down the opportunity in the minor leagues with the Boston Red Sox and before that to Toronto, but in that respect he is no keener than several other big leaguers, including Lee Fohl, recently with the Boston Red Sox, who played third base with Toledo last season and who was with Cincinnati for years, is an applicant, but his chances are rather slim in view of the fact that the Leafs have purchased the release of Billy Webb of Buffalo, who was out of the game for most of the last summer as a result of being beamed by Jess Doyle. Webb is a third baseman and a good one, too.

Patsy Donovan, late of Jersey City and Frank Gilhooley, veteran outfielder, are among the others who are in the running for the management. The former in all probability will come to the Leafs in some capacity, maybe as a scout, as it is Mr. Solman's intention to develop players, not borrow them, as has been the custom in the past.

Albert School Wins From Beaconsfield, 16-0

The Albert School footballers trounced the Beaconsfield team by a score of 16 to 0 yesterday on the Sand Core field. It was a rather interesting game despite the one-sided score.

The play for the most part, while in the losers' territory, was productive of some good rugby. The feature of the game was the play of Merryweather for the winners. The teams lined up as follows:

Albert School	Beaconsfield
Vining	Osborne
Quarters	Quarters
Prine	York
Merryweather	E. Stonehouse
Lanyon	Lilly
Watters	McIntyre
Halves	Halves
Rose	Treacrin
Kerr	N. Murphy
Forwards	Forwards
Hamm	H. Stonehouse
Alan	Keilher
Bodington	Woodland
Black	Saunders
Shepherd	Colwell
Evans	Beattie
Fuller	Fuller
Substitutes	Price, Roxborough, Shay.

CLARK SAID TO BE BEST SINCE DAYS OF WILDE

British Flyweight Highly Recommended by National Sporting Club

NEW YORK, Nov. 19.—Acting on the advice of officials of the National Sporting Club, London, that Elky Clark is the foremost flyweight in England, the Boxing Commission here has given its sanction to Promoter Tex Rickard's proposal for a championship contest at the Garden on January 21 between the Britisher and Field La Barba, the world's champion. Clark is the best flyweight developed in England since Jimmy Wilde, and the title battle here promises to be one of the high lights of the winter season.

When the battle was first proposed the commission withheld its sanction until Clark had proved his ability against Newboy Brown here. The commission has received a cable from Director Bettinson of the National Sporting Club that Clark was "fit to fight any flyweight in the world." The British champion sails for this country on December 11.

La Barba's career in the ring has been short and sensational. He reached his twenty-first birthday only about a month ago and has held the world's flyweight title since August, 1925, when he won it by defeating Frankie Genaro. In May, 1924, La Barba won the American amateur flyweight title in Boston, and in July of the same year he won the world's amateur flyweight championship at the Olympics in Paris. La Barba is of Italian-American parentage and was born in New York.

C. N. R. Club Is Arranging Good Winter Program

Many social activities for the winter are being planned by the Canadian National Railways Recreation Club. Weekly card parties will be held at which programs will be carried out and refreshments served. Bowling activities under the auspices of the club have already commenced and a league composed of 10 teams is in operation.

The annual dance held by the club will take place during the winter, and among the other activities are skating, tobogganing and other winter sports. The club expects to enlarge its activities this winter and is looking forward to a successful season.

TENNIS QUEEN BALKS AT TOO MANY PICTURES

CHICAGO, Nov. 19.—The temperamental which C. C. Pyle told Suzanne Lenglen to leave in Europe, Suzanne chased a newspaper cameraman off the courts, where she was appearing here.

The French tennis queen submitted to three flashlight photographs, and told the photographers "that would be plenty."

Another lingered, however, to get an action pose, and Suzanne's eyes flashed as she told him to get out, claiming the glare was blinding her.

A Coliseum official approached to remove the offender, and traded several blows with him, before the cameraman was routed. Suzanne was so unnerved that she dropped four straight games to Mary K. Browne, but she rallied to win the set, 7-5, and the second set 6-1.

Miss Browne won a \$100 bonus promised by Pyle if she took four straight wins from the world's champion.
